

Northamptonshire County Council online safety packages and costs

Costs

“Technology is not the problem, it is how we use it”

<ul style="list-style-type: none"> Interactive workshops and resources for primary and secondary school children around online safety. All sessions are tailored for different year groups – Year 4 through to year 13. Please note assemblies are not an appropriate way to challenge the way young people behave online ➤ Example of an online safety session: https://youtu.be/cVTcMORII58 	<ul style="list-style-type: none"> 1 hour - Primary (or equivalent) sessions are tailored to different year groups– Year 4, 5 and 6 are the best year groups to work with. <ul style="list-style-type: none"> Interactive workshops for students including the importance of keeping personal information safe, online grooming, safety on social media, online gaming and Youtube, what a positive digital footprint looks like and where to report concerns if you are worried. 1 hour - Secondary and Further Education (or equivalent) <ul style="list-style-type: none"> Interactive workshops emphasising cyber bullying, sexting, and grooming. Looking at what a positive digital footprint looks like, plus exploring self-esteem and body image and what support is available around online safety. 	<ul style="list-style-type: none"> 1 hour session for young people primary or secondary £120 Half a day is any session(s) up to 3 hours and 30 minutes £350. E.g. Student(s) sessions and then a parent Full day is any session(s) over 3 hours £575. E.g. Student(s), Staff session and then a parent session.
<p>Interactive workshops and presentations for parents and carers on ways to keep young people safe online.</p>	<p>1 hour session – Sessions are aimed at parents and carers, not teaching staff or practitonaners.</p> <ul style="list-style-type: none"> The session provides parents and cares with lots of practical things they can do within the home around online safety. Boundaries and communication are really explored along with the 3 ‘D’s. Parents and cares will leave having a greater understanding of online grooming, safety on social media, Youtube and online gaming. 	<ul style="list-style-type: none"> Parent session £180 for more than one session please see above.
<p>Online safety awareness for teaching staff, practitioners and staff involved with working with young people.</p>	<p>2 hour session</p> <ul style="list-style-type: none"> The informative, interactive session explores good and bad practice, key messages to give out to young people, parents and staff. Ways to embed, embrace and empower online safety in your setting(s). 	<ul style="list-style-type: none"> Staff session £200 for more than one session please see above.
<p>Online safety governor training. The session will consider how governors review online safety policies, current hot topics, feel more confident in online safety issues, understand statutory guidance and explore online safety policies.</p>	<p>2 hour session</p> <ul style="list-style-type: none"> This session will broaden governors’ understanding of their role in supporting online safety in their schools, ensuring that they understand many of the potential risks our pupils face when accessing the internet and social media sites. 	<ul style="list-style-type: none"> Governor session £75 per person if the session is held at One Angel Square. Don’t forget stand-alone governor sessions can be included in the full day or half a day sessions.
