Income generation:	Volunteer contribution:		Indicative property asset value:					
£7,468	£6,859.59		£140,000					

Library Usage Trend – 5 Year Physical Visits

Please note: in option 1 where a community organisation wished to run the library the staffing and property costs would need to be covered by the organisation. The infrastructure costs above (including book stock, library systems, Wi-Fi, computers, lending system, self-service machines etc., professional support and training) would continue to be picked up by the library service.
