Welcome to the Early Years and Childcare Bulletin.

All information should be accessible through direct links, ensuring easy access and up to date information.

Please circulate this EY Bulletin to all staff and Committee members so that all EY providers are aware of new updates and key information, both locally and nationally.

The Northamptonshire EY Website is available for information on funding, the early years foundation stage (EYFS) and teaching resources and training.

Early years and childcare

To find us on Facebook follow: Northamptonshire Early Years Improvement Team Facebook
Early Years Provider Reference Group (EYPRG)

Many thanks to all those EY Providers who have nominated themselves to represent the Early Years Sector at this group. The first meeting took place on Monday 21st January 2019.

The Representatives at the EYPRG expressed a preference for Locality meetings (Northampton / Daventry and South Northants / Kettering and Corby / Wellingborough and East Northants) so that all areas of the County, as well as all Sectors, were represented.

There is still the opportunity for EY Providers within these areas to nominate themselves as an EYPRG representative through completion of the online form below by 31st January 2019.

http://northamptonshire-self.achieveservice.com/service/Register_your_interest_in_joining_the_Early_Years_Providers_Reference_Group

It is important that all EY Sectors are equally represented, so some meetings will be held as daytime sessions and some as evening sessions across the year.

The EY Sector is also represented on Schools Forum, and this newly established group will feed into this process and to our EY Sector representatives who attend the Schools Forum meetings.

If you would like further information about this role, please outline your questions in an e-mail to EarlyYearsImprovement@childrenfirstnorthamptonshire.co.uk

Out of School providers

We are interested in making a bid for the Government funding recently announced, which is a significant funding opportunity to support local coordination of free holiday activities and healthy food for disadvantaged children during 2019 summer holidays. The aims of the programme are to develop and coordinate provision for a fixed period in summer 2019 with a view to being able to develop sustainable provision to meet the demand from children who are eligible for Free School Meals (FSMs)

Outcomes are identified in the government information are to enable children:

- to eat more healthily over the summer holidays;
- to be more active over the summer holidays;
- to take part in engaging and enriching activities which support the development of resilience, character and wellbeing and other skills;
- to be safe and not to be socially isolated;
- to have greater knowledge of health and nutrition; and
- to be more engaged with school and other local services and to have greater knowledge and awareness of local free holiday provision.

Questions to providers:

1. We would welcome your views on whether you would be interested in this in principle?
2. Would you have capacity for additional provision over fixed period in summer 2019?
3. What geographical area would you be able to provide?
4. Do you have the facilities to provide hot meals?
5. Would you have staff who would have any training or experience in supporting children with Special Needs or Disabilities?
6. What type of activities will you be able to offer?
7. Can they provide exercise/enriching activities?
8. What age range might you be able to consider providing for?
9. Other requirements would include -
   a. All staff would need to have current DBS?
   b. Training such as (Essential training will be Paediatric first aid, Food Hygiene and Safeguarding training)?

There is only a short window of time to complete the bid, if you are interested please email earlyyearsimprovement@childrenfirstnorthamptonshire.co.uk by the 25th January 2019.

Repeat Articles for information

‘TEACH Northamptonshire’ will be able to include Early Years and Childcare Settings job listings from April 2019

We have been really fortunate to be able to link up with the Teach Northamptonshire Campaign that is currently offered to schools. This is an exciting opportunity to be able to advertise vacancies for staff to work in your Early Years and Childcare settings on a central website. This will be available for applicants to access across the Country.

The ‘TEACH Northamptonshire’ campaign and website has been successful in promoting Northamptonshire as a place to live and to work, and has supported Schools in advertising staff vacancies. Schools are currently able to advertise job vacancies on the ‘TEACH Northamptonshire’ website.

We are now able to also extend this Campaign to Early Years and Childcare settings in Northamptonshire, who are invited to join the Teach Northamptonshire campaign from April 2019 for an annual fee of £75. This payment will enable them to advertise unlimited vacancies throughout the year through this site.

Subscription Fees Explained.
Subscription fees have been kept to a minimum; significantly lower than local and national media, providing support for Early Years and Childcare settings in accessing both the website and new App for candidates. All income raised will be invested in the campaign. Group discounts are available.

Without membership, the Teach Northamptonshire website and broader campaign is not sustainable. Thank you all for your continued support and enthusiasm; so far 40% of Northamptonshire schools have confirmed participation in 2019 which makes the campaign sustainable in its first year as an independent service.
30 hours codes for January 2019 funding block

Please remember that only eligible 30 hour codes submitted by the parent by 31 December 2018 can be accepted for the current funding block.

This information has been advertised to parent and carers on our webpage

Current Training Opportunities

LAST CHANCE! Exciting opportunity to achieve an Early Years NCFE Cache L3 Award for Special Educational Needs Co-ordinator

Delegates who have previously attended the NCC Qualifying SENCO are welcome to apply for this opportunity. It will build upon their existing expertise whilst also enabling delegates to achieve the above qualification.

This programme is for SENCos wanting to gain a qualification and recognition for their role as an Early Years SENCo. This award will evidence the settings’ commitment to supporting children with SEND. It will provide the SENCo with the skills to lead and coordinate Special Educational Needs and Disabilities within their Early Years Setting.

Delegates will also be awarded with one Level 4 module: Co-ordinate Special Educational Needs Provision, this is a further CPD module that encourages qualification progression.

Delegates should:

- Be currently working in a PVI Early Years setting (0-5) in Northamptonshire as a SENCo
- Hold a level 3 (or above) qualification in early years or childcare
- Have a commitment to continuing professional development
- Have the support of their line manager to attend all sessions
- Be committed to attend all sessions

The programme will include twelve daytime sessions:

This is a DfE funded course and includes Nasen individual Gold membership for free for 1 year (worth £149.00).
Our Trainer, Zoe Ilott has now completed training with 14 other Local Authorities, and is an approved trainer of this award by the DfE.

If you would like to extend your skills as a SENCo and wish to express your interest in this award, then please e-mail into: Earlyyearsimprovement@childrenfirstnorthamptonshire.co.uk and you will be sent an Expression of Interest Form. These will need to be completed and emailed back by Tuesday 29th January 2019.

Please note there are only a limited number of places currently available for this opportunity. Places are restricted to one application per setting.

---

**Safeguarding Refresher course for early years practitioners.**

Practitioners must have previous knowledge of child protection. This course is for early years workers who need to refresh their knowledge of child protection.
Out of School Provision Special Educational Needs and Disability Training

This course is for Out of School Providers, Special Educational Needs Coordinators (SENCo) and Inclusion Co-ordinators/Managers but would be relevant to all practitioners who work with children and young people with Special Educational Needs and Disabilities (SEND), in out of school provision. It covers the responsibilities for OOS providers to meet the requirements of the SEND code of practice 2015-0-25. It also aims to help practitioners consider how best to support children in their care who have an identified special educational need or disability. It covers the processes and paperwork that document the graduated approach and consequently improve transitions between school and setting in order to support the best outcomes for children.

Information briefing session for Childminders

This bite size training is for childminders who are supporting families who need extra help. It is designed to support practitioners with the referral pathway to targeted support and gives practical ideas and tools to use within their practice to support the more vulnerable child.

This two hour session is designed to enable childminders to explore the referral routes to accessing early help support. Delegates will hear all about Signs of Safety methodology and learn how they can use the tools within their practice to support vulnerable children and families. This session is fully funded but limited to one delegate per childminder.

EYFS Profile Moderation Agreement Trialling and Training for Reception teachers 2019

Early Years Foundation Stage Profile Training and Agreement Trialling is for practitioners responsible for the completion of the EYFS Profile. During training, exemplifications of national standards are used to ensure national consistency with regards to the principles and processes of EYFS Profile assessment and the accuracy of judgements.
### Early Years Funding Portal training for Childminders

An evening session of portal training has been arranged for Childminders on Wednesday 6th March from 7 – 8.30pm, in Northampton.

The session will cover: Logging In and Passwords; Receiving Portal Messages; Entering the Headcount and personal details for children; Submitting the Headcount; Time to ask FAQs

To register your interest, please email earlyyearsimprovement@childrenfirstnorthamptonshire.co.uk and confirmation will be sent to you if spaces are still available.

### Supporting EY Providers with using the EY Funding Portal

The first training sessions covering the basic use of the EY Portal for new providers and a refresher session for current providers took place recently.

The bitesized session covered:

- Logging In and Passwords
- Receiving Portal Messages
- Entering the Headcount and personal details for children
- Submitting the Headcount
- Time to ask FAQs

Places are currently limited, and we are only able to allocate one place per setting to allow for as many different settings as possible to attend. **These sessions will also support development of some detailed screenshots of the Portal workings and FAQ which will be available for all providers.**

To register your interest, please email earlyyearsimprovement@childrenfirstnorthamptonshire.co.uk and confirmation will be sent to you, if spaces are still available.
Early Help and Signs of Safety

A two hour bitesize course designed to enable Designated Safeguarding Leads and Practitioners to explore the referral routes to accessing early help support. Delegates will hear all about Signs of safety methodology and learn how they can use the tools within the setting to support vulnerable children and families. This session is fully funded but limited to one delegate per setting.

Delegate Feedback:-
- *Build on my knowledge and confidence with knowing what I could do to support families.*
- *Great to share experience and get positive advice/comments. Very interesting.*
- *I will not only use the mapping with EHA, but will apply it to the settings practice and for parents who need extra help with their child’s learning*
- *Will put the flow chart on the staff wall to use as a go to guide.*
- *Feedback to staff in my setting, will use at child progress meetings.*

Places are limited to one booking per setting.

Solihull Approach

Solihull Approach
2 day Foundation Course
for practitioners who work with very young children up to adolescents in a range of settings.
Cost: £187 per participant –
includes FREE resource pack per participant worth £76, while stocks last.

23rd Jan & 6th Feb 2019 - Wellingborough
5th Mar & 19th Mar 2019 – Northampton

Please indicate whether you prefer a School Age or The First Five Years resource folder at the time of booking.

The Solihull Approach is a nationally recognised and locally endorsed theoretical approach to working with children and their families that enhances team working within and across services. It focuses attention on promoting the emotional well-being and mental health in infants, children, adolescents and families.

The Solihull Approach draws on theories of psychotherapy, child development, including attachment and behaviourism, and brings them together in a practical way. As part of the course participants will view video footage and discuss baby brain development. The model integrates the concepts of Containment; Reciprocity and Behaviour Management into a reflective model that informs practice. It supports practitioners in their work with children and families and helps parents and carers to understand their child. It provides a framework for thinking about children’s behaviour that develops practice and consistent approaches across agencies and within services.

This training is supported by the Northamptonshire Young Healthy Minds Partnership. The Solihull Approach is one of the Building Blocks for Mentally Healthy Schools at the Essential Foundations Level within the Northamptonshire TaMHS Programme. Certification upon completion is accredited by the Solihull Approach training organisation.

In order to maximise the development of the approach in your setting, a member of your senior management team should be (or have been) one of the staff attending this training.

Solihull Approach Parenting Group Facilitation

4th April 2019 9:30am to 4:00pm
Northampton
Cost: £167 per participant

This is a one day training course for practitioners who intend to run a Solihull Approach parenting group in a community based setting such as a Children’s Centre, health clinic, school or family centre. The Solihull Approach Parenting Programme is an evidence based parenting programme that is recognised by the Children’s Workforce Development Council and is awarded the national CANparent Quality Mark for parenting courses. It aims to help parents reflect on their own and their child’s feelings and how these can impact on behaviour. By so doing it aims to enhance understanding, improve communication and perspective taking. This empowers parents and leads to more effective management of their child’s behaviour. The parenting programme runs over 10 weeks. It is suitable for parents who have universal to complex needs and children from birth to 18 years of age.

All potential Solihull Approach Parent Programme facilitators must have completed the Solihull Approach Foundation training and already be familiar with using the Solihull Approach in their practice.

This course is suitable for all practitioners who are a member of the children’s workforce in Northamptonshire.
