Section 1 – The basics

Introduction

This section gives you all the basic information about how to apply for a school place and about the way in which we allocate places at primary schools in Northamptonshire.

If you are unsure of any of the terms used in this booklet, please refer to the Glossary on pages 248-254.

The information provided in this booklet aims to make it as easy as possible to understand the process of applying for a primary school place. If you have any queries after reading this booklet, please contact us:

- Admissions@childrenfirstnorthamptonshire.co.uk
- Telephone the Customer Service Centre on 0300 126 1000
- Visit a School Admissions ‘Drop In’ Session (details on page 269 of this booklet, or on our website www.northamptonshire.gov.uk/admissions)

Important:

- **You must apply** for a primary school place for each of your children due to start in a reception class or moving on to the next stage of school;
- **You must apply** for a primary school place, even if you have an older child already attending one of your preferred schools. Do not assume that a place will be allocated automatically to a younger sibling;
- **You must apply** for a primary school place, even if your child is already attending the nursery or other pre-school group at one of your preferred schools. Do not assume that a place will be allocated automatically to a child already attending a school’s nursery or other pre-school group;
- All Northamptonshire primary schools are comprehensive and do not allocate places according to ability.

In Northamptonshire, children are offered a full year in Reception i.e. the school place is available from the beginning of the school year in which the child has their 5th birthday. A parent can request that entry to the school, where they have been offered a place, is deferred until later in the same school year. If such a request is made, the school is required to hold the place for the child and it cannot be offered to another child. The place cannot be kept open beyond the academic year for which the original application was accepted.

Any parent who is considering deferring their child’s admission to school is recommended to discuss this with the Head teacher of the school where their child has been offered a place.

Parents of children born during the summer term who are thinking of delaying their child’s admission by a full school year should refer to pages 20-23.

Who can apply to NCC for a primary school place?

- A parent/carer can apply to Northamptonshire County Council for a Reception place in an Infant or Primary School if their child lives in Northamptonshire at the time of application and has their 4th birthday between 1st September 2018 and 31st August 2019. The school they apply for can be within Northamptonshire or in another county.
- A parent/carer can apply to Northamptonshire County Council for a Junior School place if their child lives in Northamptonshire at the time of application and has their 7th birthday between 1st September 2018 and 31st August 2019 and is in their last year (Year 2) at an infant school. All infant schools have a linked junior school and children attending the infant school will have some priority within the oversubscription criteria for that school (see school criteria pages 114 -247). The school they apply for can be within Northamptonshire, or in another county.
Please note that different arrangements apply to:

- Children who live outside Northamptonshire who must apply to the local authority where they live (even if their preferred school is within Northamptonshire) – see page 32 for contact details.

How do I decide which schools to apply for?

When you apply for a primary school place for your child you must tell us your three school preferences in order of priority.

To make these preferences you will need to find out more about the schools.

Use the online School’s Directory at www.northamptonshire.gov.uk/admissions to:

- Search for schools by postcode/distance from your home. Please be aware that the distances you find stated here will not be as precise as the measurements used when we decide the outcome of a tiebreaker (which are calculated using a different mapping system);
- View the website of schools you are interested in;
- Read about the oversubscription admission criteria for schools you are interested in to ascertain your chances of being able to gain a place. Please note that putting a school as first preference does not guarantee that you will get a place at that school. It is important for you to understand where your child will fall in the oversubscription criteria and whether the school was oversubscribed last year, as this will give you an indication whether or not you are likely to get a place;
- View the websites of Ofsted (Office for Standards in Education) and the Department for Education (DfE) for extra information regarding exam and inspection results;
- View our neighbouring local authority websites to find information regarding schools in areas outside Northamptonshire that you may wish to apply for.

Before deciding on your three preferences, we advise you to:

- Find out about your local or linked school;
- Find out about other schools in your local area;
- Understand that there are different types of schools;
- Consider how you will get your child to and from school each day. If you will need a car to transport your child each day, this is a long term commitment.
- Be aware that a village or area which may be linked in a school’s admission criteria does not, on its own, mean that free transport will be provided by Northamptonshire County Council;
- Attend Open Evenings/Days at your local/linked schools and at any other schools you are interested in.
Please note:
If you want your child to attend the same school as an older brother or sister (sibling), you must include that school as one of your preferences. It is your responsibility to tell us on the application form if your child has an older sibling at one of your preferred schools. Failure to do this may place you lower in the oversubscription criteria.

Your local school

Many people like to send their children to the local primary school. There are many advantages in sending your child to your local school. Your child will go there with friends from the area where you live and it will be easier to travel to and from school.

If you live in a rural area/village, your local school may have a linked area. This may give you some priority if that school is oversubscribed. For a list of towns and villages see pages 255-268.

Please be aware that if you wish to apply for a place at your designated, linked or local primary school, you must include the school as a preference.

You must be confident that the three schools you include on your application form are right for your child, so it is important to find out as much information as possible about the schools that interest you.

We also advise you to:

- **Read this booklet carefully** – Section 3 includes details about each primary school, including their oversubscription admission criteria and whether you need to complete a supplementary information form (SIF) for the school;

- **Pick up a prospectus** – Most schools have a prospectus or booklet. These are available to view on the school’s website, or you can ask the school for a copy;

- **Visit the school** – Most primary schools hold open days/evenings for parents/carers or will arrange appointments to view the school. This gives you a good opportunity to ask questions. Contact the schools directly for details of this.

Understand the different types of schools

There are several types of primary schools in Northamptonshire. A school’s type affects the way in which decisions about its admissions are made.

- **Community Schools** and **Voluntary Controlled Schools** – The county council is responsible for the oversubscription admission criteria and the allocation of places;

- **Voluntary Aided Schools** and **Foundation (Trust) Schools** – School Governors are responsible for setting the oversubscription admission criteria and the allocation of places;

- **Academies** and **Free Schools** – The Academy Trust is responsible for setting the oversubscription admission criteria and the allocation of places.
How do I apply?

To apply for a school place you must fill in a Common Application Form. You should tell us the names of up to three schools that you would be happy for your child to attend. The easiest way to apply is by completing the online application form.

If you can access the internet at home

You can fill in an application form using our online application service at:

www.northamptonshire.gov.uk/admissions

You will need an email address in order to apply. You will be asked to register as the parent/carer using your email address and create a password (we advise you to make a note of this password as you will need it to access your application).

You must submit your application. Any time you open your online application you must press submit before you close it – even if you have not made any changes. An application must be submitted/resubmitted by the closing date (15th January 2019 at 5pm) to be a valid on time application. If you do not press submit we will not receive your application and it will be invalid.

You will know if you have submitted your application because you will receive an email in confirmation.

If you do not receive a confirmation email after submitting the application check your spam, junk or deleted items and if it is not there, log in to your application again and check that the status of the application is submitted. This is important as applications which have not been submitted by the closing date cannot be considered. If the application status shows it is submitted and you have definitely not received a confirmation email, contact the Schools Admission Team.

If you can’t access the internet at home

- You can apply online at any Northamptonshire Library. There will be no charge for using the computers to complete your application or for accessing the emails regarding your September 2019 school application. Please note that usually Northamptonshire Libraries offer free access to a range of websites, but they charge £1 for 20 minutes to access emails and for other computer services. One day each week in each of the libraries, there is no charge to use any of the computer services. All libraries in Northamptonshire offer free Wi-Fi. If you do not have any access to emails you can create a free email address, for example using Hotmail, Gmail or Yahoo.

- Visit a School Admissions ‘Drop In’ Session, where you can get more advice and information on making an application and you will have the opportunity to apply online. Details are shown on page 269 and will be posted on our website from 10th September 2019. Alternatively, you can call 0300 126 1000 to ask for more information.
If you are not able to complete an online application

You can fill in a paper application form. These are on our website or available from the School Admissions Team – contact details on the back cover of this booklet or visit a School Admissions ‘Drop In’ Session – dates times and venues on page 268 of this booklet.

When you have completed the paper application form, send it to the School Admissions Team. Contact details are on the back cover of this booklet.

Do not send your paper application form to the school:

- We recommend that you post your application form to us using recorded delivery;
- Please make sure that you put the correct postage on the envelope – if you are not sure, ask at the post office before you post the form to us. Incorrect postage may delay your application reaching us. It is not the responsibility of the NCC to collect incorrectly stamped or addressed envelopes from the Post Office;
- If you want us to confirm that we have received your paper application form, enclose a stamped addressed envelope with your application form for us to send back to you once we receive your application form. Don’t forget to put a first or second class stamp on the envelope, otherwise we cannot send it back to you. You should contact NCC School Admissions Team if you do not receive your confirmation within 10 days;
- If you hand in your form personally at NCC offices or at a School Admissions ‘Drop In’ Session, please ensure that you obtain a receipt.

Why should I state 3 preferences and what is equal preferencing?

When you apply for a place you are asked to list three preferred schools in order of preference.

Every school has a number of places available for applicants – this is the called the published admission number (PAN) for the school.

- If fewer than this number of children apply for a place at the school, all of the children will be given a place.
- If more than this number of children apply then the school uses its ‘oversubscription admission criteria’ to decide which children must be offered a place.

Equal preferencing

Equal preferencing means that each of your three preferences will be considered by the admission authority of each of the schools applied for. Each admission authority must consider all applications for places at the school and they will not be informed where parents/carers have placed the school in their list of 3 preferences (so there is no
possibility of favouring those who name the school as first preference or discounting those who placed it as second or third preference).

The LA sends each admission authority a list of all the children who have applied for a place at the school. If a school receives more applications than there are places available, the school’s oversubscription criteria are used to decide who should be offered the places.

The school then sends back to the LA a ranked list of all applicants. The children on the list are ranked according to the admission criteria for that school.

**Next steps**

The local authority must allocate a place at the highest preference school where the child can be offered a place.

It may be that a child would rank high enough to qualify for a place at all 3 preference schools. In this case, the LA will offer a place at the school that is ranked highest on the common application form and the child will then be removed from the school list(s) where they qualified for a place at another school so that other children may be offered a place.

- If a child can be offered a place at only one of their preference schools, they will be offered a place at that school regardless of the preference order on the common application form;
- If a child cannot be offered a place within the PAN of any of their preferred schools, the LA will offer a place at the nearest school with a place available i.e. the nearest school which has not reached their PAN and therefore has a place/places available at the time;
- If a child is offered a place at a school which wasn’t their first preference, they can go on to the waiting list of any of the schools which was a higher preference than the school offered.

There is a right of appeal against the decision not to offer your child a place at the schools stated on your application, unless you have been allocated a higher preference.

**Can I apply for the same school more than once?**

The online application service will not let you choose a school more than once.

If you are filling in a paper application form, **do not** name the same school more than once in your preferences. Writing down the same school more than once will not increase your chances of getting a place at that school. School Admissions law is clear that if you only tell us one preference and it is unsuccessful, your child will only be allocated a place after all the other applicants’ preferences (first, second and third) have been considered.

The result might be that your child is allocated a place a long way from your home, and transport may not be available.
How do I include a school outside Northamptonshire as a preference?

Applications for primary school are coordinated nationally. All applicants must apply to the home local authority where they live regardless of where their preferred school is situated.

- If one or more of your preferences is for a state-funded school in another county you can select these when you apply online or you can include these on your paper application form. You do not need to send an application form to the other local authority – we will liaise with that authority to make sure your application is considered according to your preferred school’s oversubscription admission criteria.

- If one or more of your preferred schools is in another county, you will need to find out from the school itself if you need any Supplementary Information Forms (SIFs) forms to support your application and return any SIFs directly to the school.

- If you do not reside in Northamptonshire (even if your child attends a Northamptonshire nursery or infant school) you will need to make your application to the local authority in which you live.

Can I change my preferences once they have been submitted?

- If you apply online for a school place, you can revisit your application and change your preferences up until the closing date on **Tuesday 15th January 2019 at 5pm**. Every time you open your application you must press submit before you close it – even if you have not made any changes. If you do not press submit we will not receive your application and it will be invalid. You will know that your submission/resubmission has been successful because you will receive an email in confirmation:

- If we are in receipt of more than one application (either online or on paper), we will only consider the latest dated application received before the closing date. On time applications will be processed before any applications received after the closing date.

- After the closing date, parents wishing to change their preferences will be asked to complete a late application form. Late applications will be considered in our additional rounds of allocation which start in May 2019.

What are my chances of getting one of my preferred schools?

In 2018, the proportion of families securing a place at their first preference school was 92.7% - the highest number for three years – while a further 5.8% were allocated a place their second or third preference.

Where your child is ranked in the individual school’s oversubscription criteria is more important (when allocating places) than where you have placed schools in your preference list.
However, we have to offer you a place at the highest preferred school that we are able to at the time of allocations; this may not be your first preference depending on where you are ranked in the oversubscription criteria for each of your preferred schools.

Pages 114-247 contain information about the oversubscription admission criteria for each of Northamptonshire’s primary schools and whether or not they were oversubscribed for 2018. This should give you a good idea of the chance of your child being successful in obtaining a place at your first preference school and your other preferences. Do bear in mind that this information can only be used as a guide, because the pattern of preferences may vary from year to year.

Some schools receive more applications than there are places available. When this happens, places are allocated according to the school’s oversubscription admission criteria. Different schools use different oversubscription admission criteria, e.g.

- Many schools’ oversubscription admission criteria give priority to children living in their linked area – often a criterion used in rural areas. Remember, if you live in a school’s linked area and want to be considered for a place at that school, you must include it as one of your preferences. If you do not include your linked school in your preferences and it is oversubscribed, your child may be allocated a place at another school which may be quite far from your home.

- The oversubscription admission criteria at faith schools may give priority to applicants on faith grounds of church attendance or commitment.

It is important that you think about the likelihood of schools being oversubscribed. We would also suggest that you should read and consider each school’s oversubscription admission criteria before applying.

In some cases we may not be able to offer applicants any of their three preferences. We will then offer a place at the nearest school to the child’s home address with places available at the time of allocation. Please note that this may not be your local school.

**Does my child have priority if they already attend the nursery unit at my preferred school?**

No. Places are allocated using the oversubscription criteria for the school when more applications are received than the number of places available. Priority is not automatically given to those in a nursery class at the school as nursery and school allocations are separate processes.

**What is the position relating to twins/multiple births?**

NCC’s multiple birth policy does not entitle applicants with twins or multiple births to gain their first preference school but does, where possible, entitle them to be kept together if they so wish. However, this may not be at their first preference school and may even be at a different school altogether. Please indicate that your child is a twin etc. on your application form to ensure that we are aware.
Do I need to send any other paperwork (e.g. Supplementary Information Form)?

In order to process your application, some schools require you to complete a supplementary information form (SIF). The SIF must be returned directly to the school e.g. Faith schools may ask for information about your allegiance to a religion.

Please refer to the individual school criteria (pages 114 -246) or contact the school directly (contact details on pages 35-113) to find out if any of your preferred schools need you to provide extra information.

If you have included one or more of these schools among your preferences, you must get the SIF directly from the school or download it from our website: www.northamptonshire.gov.uk/admissions

When you have completed your form, you must return it directly to the school concerned. Do not send it to the School Admissions Team, as the county council is not responsible for ensuring that these forms are sent to schools.

Closing date for receiving your application form

We must receive your application form by 5pm on Tuesday, 15th January 2019 at the latest for your application to be considered ‘on time’.

If you send the form to us by post, make sure you allow enough time for it to get to us by this date. Ensure the correct postage is applied. NCC cannot take responsibility for a form reaching us after the closing date if this is due to insufficient postage being used.

Child’s home address

We allocate school places using the address your child is living at on the closing date for applications (5pm on 15th January 2019).

When we refer to a child’s home address, we mean the permanent residence of the child. This address must be the child’s only or main residence that is either:

- Owned by the child’s parent, parents or carer/guardian.
- Leased to or rented by the child’s parent, parents or guardian under a lease or written rental agreement of not less than six months duration. The property leased should be that in which the family lives.

We may require written proof of ownership or a rental agreement and proof of actual permanent residence at the property.

We cannot allocate places on the basis of intended future changes of address unless house moves have been confirmed through the exchange of contracts with a completion date, or the signing of a formal lease agreement.
If you change your address at any time during the admission process, please tell the School Admissions Team – our contact details are shown on the back cover of this booklet. Please note that we cannot allocate on the basis of a change of address after the closing date for applications. We use the address we hold on the closing date to allocate places, but will use your new address for any correspondence.

We do not usually accept an address if:

- It is the address of your second home. If you have two homes, we will check which one is your main home. We may refuse to allocate a school place at an address which we consider to be a temporary or business address.

- Only part of a family moves, unless this was as a result of a divorce or permanent separation arrangement. We will ask for proof of this.

We reserve the right to seek further written proof to support your claim to residence, and that your child is living there.

Please note: an address used for childcare arrangements cannot be used as a home address when applying for a school place.

Each year, the School Admissions Team will check a sample number of addresses at random by asking the parent/carer to prove the address they have stated on their application.

We will not process an application for a child until they are residing in the UK. The only exception is the children of UK Armed Service Personnel and other Crown Servants. For families of service personnel with confirmed posting to their area, or crown servants returning from overseas to live in that area, admission authorities must allocate a place in advance of the family arriving in the area, provided the application is accompanied by an official letter declaring a relocation date and a Unit postal address or quartering area address.

A school place may be withdrawn if it is proved that the address provided is fraudulent.
What if I move during the application process?

We allocate school places using the address your child is living at on the closing date for applications (5 pm on 15th January 2019).

Change of address before the closing date

Online applications

If you move home before the closing date for applications, you will be able to change your address and your preferences (if necessary) on your online application up to and including the closing date.

Paper applications

You will be able to provide your new address and/or change your preferences if you advise us by email or letter. We must receive any new information about your address or preferences before 5pm on 15th January 2019 for the application to be considered as ‘on time’.

Please note that we will need to receive documentary evidence of a new address e.g. a copy of signed lease/rental agreement (minimum six months) or a copy of a solicitor’s letter confirming exchange of contracts/completion date. We need to receive this supporting information by 5pm on 15th January 2019 for the application to be considered as an ‘on time’ application.

All applications received after the closing date will be considered as ‘late’ applications and will not be processed until after National Offer Day (see the table on page 4 for relevant dates).

Change of address after the closing date

Please inform us of your new address, by email or letter, so that we can communicate with you.

If you move address after the closing date and wish to change your preferences based on your new address, you should complete a new ‘late application’ form. This application must be accompanied by documentary evidence of your new address (e.g. a copy of signed lease/rental agreement (minimum six months) or copy of solicitor’s letter confirming exchange of contracts/completion date). We will be able to use your new address for correspondence purposes. Late applications are dealt with during our further rounds of allocation which start in May 2019.

However, we will process your ‘on time’ application and a school place will be allocated based on the address we held on the closing date (i.e. where you lived on the 15th January 2019). If appropriate, we will then process any late applications in the next round of allocations, using your new address.
Separated parents and parental disagreements

Where a child lives with one of their separated parents for different parts of the week, we will consider the child’s home address to be where the child sleeps for most of the school week (Sunday night – Thursday night).

If the child spends equal amounts of time at two addresses, **the parents must agree** which address they wish to be the child’s main address before we can process the application.

We will only respond to the parent/carer (the applicant) who has completed the application form. Where a separated parent has not shared information about the preference process with the other parent, we will use the following procedure if we receive a request for information from one of the parents:

1. We will contact both parents to establish their right to view the information;
2. Once parental responsibility has been confirmed, we will send the information they are entitled to.

There may be a charge for this service.

**What happens if we receive an application from each parent?**

We can only process one application because we can only allocate one place. When we receive more than one application for the same child (made by separated parents) and where the home address and / or the preferences do not match, **neither application will be processed** until such a time that the parents can agree on both the address and the preferences. If no agreement can be made, parents are recommended to seek legal advice. If agreement cannot be reached before the closing date, this may affect the chances of your child being allocated a place at your preferred school(s).

Further information on parental responsibility can be found on the DfE website: [https://www.gov.uk/parental-rights-responsibilities/apply-for-parental-responsibility](https://www.gov.uk/parental-rights-responsibilities/apply-for-parental-responsibility)

**When will I hear about the school place allocated to my child?**

On National Offer Day, 16th April 2019, all on time online applicants will receive an email advising them of the school allocated. The email will be sent to the email address you used when you applied. Alternatively, you can visit our website: [www.northamptonshire.gov.uk/admissions](http://www.northamptonshire.gov.uk/admissions) and log on to your application to find out your allocated place.

*(Remember to keep your password safe to enable you to do this)*

All applicants who made paper applications on time will be sent a letter (posted on 16th April 2019), by first class post, informing them of the school where their children have been allocated places. This offer letter will be sent to the address you have provided on your form.

**What happens if the council cannot offer me any of my preferred schools?**

If all of your preferred schools are oversubscribed (i.e. they receive more applications than places available) and we cannot offer you a place at any of them, we will offer you a place at the school which is closest to your home address and which still has places available at the end of the allocation process.
What if I am unhappy with the school place I am offered?

We understand that it can be disappointing for you and your child if you are not allocated a place at one of your preferred schools.

- If you have not been to visit the school where your child has been allocated a place, it would be a good idea to arrange an appointment to find out more about the school;
- If you wish, you can join a waiting list for schools you applied for but were not offered a place at. Details of how to do this will be in your offer letter. Further information about waiting lists can be found on page 18)
- If any other schools have places available, you can make a late application for those schools, but you must be aware that other parent/carers may also make late applications for these schools and places offered may be subject to the application of the oversubscription criteria, therefore a place is not guaranteed;

Please note that if new applications are made after National Offer Day and we are able to offer a place at one of your new preferred schools, your original allocation will be replaced with the newly allocated school. In other words, if you are originally offered school A, and you later apply for school B or school C, we will allocate school B or C and remove your place from school A. Your most recent application will always override previous applications.

- If you are still not content with the place you have been offered and wish to appeal for a school at which your child was not allocated a place at, please refer to the section on school appeals (see page 27).

Can a school place be withdrawn?

Yes. If you have provided us with fraudulent or misleading information on your application form (e.g. a false claim to be living at a certain address or a false claim to have a sibling link) which has prevented us from giving a place to a child who should have been given the place, we may withdraw your offer of a place. We will investigate if there is any doubt about your address or sibling link.

In previous years, we have withdrawn places where we found that a given address was false or where a claim to have a sibling link was falsely made.

If a place is withdrawn, your child will be offered a place at an alternative school.
What happens after National Offer Day – 16th April 2019?

If you are accepting the offered school place and the school you have been offered is in Northamptonshire there is no need to contact us. Once you receive your offer we will assume that you have accepted the place. However, if the school offered is outside of Northamptonshire we recommend you contact the school directly to check whether you need to formally accept the offer.

If you have been refused a place for your child at any of your preferred schools, you are entitled to be placed on the waiting list and/or appeal for that school. You cannot appeal or be placed on the waiting list for a school that you have not applied for.

Waiting lists

From National Offer Day – 16th April 2019 – waiting lists are established for all schools which receive more applications than they have places available.

If you want us to add your child’s name to a waiting list, you must contact us in writing (by letter or an email) from 16th April 2019 – our contact details are shown on the back cover. All requests must be made in writing: we cannot add names to a waiting list by phone.

If a place becomes available at a school which has a waiting list, we will consider all of the children on the waiting list, including those appealing for a place, new applications and late applications (see page 19). On reallocation dates we will start to allocate the available places using the schools’ oversubscription admission criteria, as shown in this booklet on pages 114-247.

Note: a child’s position on the waiting list can change if new applicants are added to the list who have a higher priority for admission in line with schools’ oversubscription admission criteria. Therefore, we do not usually disclose waiting list positions and can only confirm the current total number of children on the waiting list at a given time.

All oversubscribed schools must maintain a waiting list for at least the first term of the academic year of admission (until December).

If you wish to remain on the waiting list for a Community or Voluntary Controlled school from December onwards, you will need to contact the School Admissions Team by email or in writing in December and again at Easter. To remain on the waiting list from December onwards for Voluntary Aided, Foundation, Academy or Free Schools, you must contact the schools directly.
Late Applications

- On time applications will be processed before those received after the closing date (15th January 2019 at 5pm) and parents who apply on time will be notified of the school allocated on National Offer Day, 16th April 2019.

- Applications received after the closing date are referred to as ‘late’ applications and these will be processed in the further rounds of allocations (see page 22).

- Parents who make a late application will not receive notification of the outcome of a late application on the National Offer Day (16th April 2019).

- If a late application is made for popular (oversubscribed) schools, it is possible that the school allocated may not be one of the three preferences as the popular schools fill up with on time applicants.

- We will consider an application to be late if we receive it after the closing date 15th January 2019 at 5pm even if other children in the family attend the school, or if the children applying live in the linked area, or if the applications are for children who have just moved into the area/county.

- If you need to apply for a school place after the closing date, you will have to complete the late application web form (which will be on the NCC website after 5pm on 15th January 2019) as the online application service for co-ordinated admissions will be closed. Alternatively, a paper application form may be completed. Paper forms may be obtained from the School Admissions Team. The contact details for the team are on the back cover of this booklet.

- Late applications are processed within our additional rounds of allocation between May – July 2019. The allocation dates of these can be found on page 4. Depending on the number of applications received, it may take several weeks to process each round. Applicants will receive an offer via email where possible.

In 2018, we received nearly 1400 late primary school applications. As a result, many of these applicants missed out on a place at their preferred schools. This is due to the fact that we are not able to consider any late applications for a school until our additional rounds of allocations (from May onwards). These dates are after all of the ‘on time’ applicants have been allocated school places.
Summer born children – delaying entry to reception by a full year

- Delaying applying for reception for a full year

The School Admissions Code (2014) allows parents/carers of summer born children (children born between 1st April to 31st August) to request that their child is admitted out of their normal age group (i.e. into Reception in the September following their 5th birthday, rather than into Year 1).

Before making the decision to do this, we recommend that you read the information about summer born children on our website: www.northamptonshire.gov.uk/admissions. You may also wish to seek advice from professionals, such as your child’s Early Years provider.

The process is as follows for requests to delay entry to Reception for a whole school year for Northamptonshire schools:

1. Parents of summer born children who could start school in September 2019, but wish to delay applying for a Reception place, should make their request (to a school’s admission authority) before 1st December 2018. This is to enable sufficient time for requests to be processed and, where a request is not agreed, for the family to have adequate time to make an application for a place for September 2019, before the closing date of 15th January 2019. For community and Voluntary controlled schools, the request should be made to School Admissions Team at NCC. For Academies, Voluntary Aided and Free Schools and , requests must be made to the schools themselves.

2. Parents/carers should indicate clearly their 3 preferred schools in order of preference, e.g.
   1. School a
   2. School b
   3. School c

3. Parents/carers should submit their reasons (with evidence from an appropriate professional if available) for wishing to delay applying for a Reception place, including confirmation of agreement from the admission authority of the preferred school. If schools/NCC agree to the parents’ request to delay applying, NCC will write to the parent/carer to confirm that an application can be made in the following year.

   The letter will highlight the potential risks/impact of making a delayed application which may include the following:

   - While a school may agree to a delayed application, there is no guarantee that parent will be allocated a place at that school in the following admissions round as other children may have a higher priority within the school’s oversubscription admission criteria;
• The application will be processed as part of the normal admissions round in the following year, according to the oversubscription criteria of each school stated as a preference. No additional priority will be given to the applicants and, therefore, the applications may not be successful for the preferred school(s);

• The local authority will make every effort to allocate a Reception place (rather than a Year 1 place). However, it may not be possible to allocate a Reception place at the parent's preference or at the local school. This is because the local authority is not always the admissions authority and some schools, which are their own admission authority, may not agree to the delayed entry;

• If we are unable to offer one of your preferred schools, it may not be possible to offer a place in Reception at another school (as they will not have agreed to delayed application). In this case, you would be offered a place at a school in Year 1 at the nearest school with a place available.

4. If the request is not agreed, the parent will receive a letter from the admission authority of the school providing reasons for refusal. Any complaints should be addressed to the admissions authority of the school in question;

5. Parents/carers may still change their mind regarding delaying entry by a whole school year and may apply by the national closing date for primary school admissions (15th January) in the normal admissions round for starting in the September following their child’s fourth birthday. This will provide two further options for the parent/carer: a) they can consider deferring the child’s start date in Reception until later in the school year or b) they can discuss part time arrangements with the allocated school, as detailed in paragraph 2.16 of the School Admissions Code. If an application is then received by the 15th January the parent’s previous request to delay until the following year would no longer apply. Applications received after 5pm on 15th January (the closing date) will be treated according to the current NCC late application policy;

6. A copy of the letter sent by NCC to the parent/carer will be sent to the Head teacher of the school(s) concerned;

7. Parents/Carers who choose to delay entry by a whole school year will need to apply for a school place in the admissions round for the following year. School Admissions will send a paper application form for parents to complete;

8. If a child is given an Education Health Care Plan (EHCP) after an agreement has been made with School Admissions to delay an application for a place in Reception, the Plan will override any agreement made and will specify which school the child will attend and which year group the child will be in;

9. Please note that other Local Authorities may have different arrangements for how they deal with Summer Born requests and this may affect you if you move to another county before taking up a school place in Northamptonshire.

If a parent who has applied by the statutory National Closing Date (by 5pm on 15th January) later changes their mind and wishes to delay their child’s entry to Reception, they should discuss this and other options with the Head teacher of the allocated school. A
request to delay applying for a Reception place for a summer born child will not be agreed
if the reasons for the request are based on dissatisfaction with a place offered or if a place
has not been offered at a preferred school.

The Department for Education advice on the admission of summer born children can be

Summer born children continuing at current nursery setting

Parents of summer born children (born between 1st April and 31st August 2015) who wish
to apply for Reception in 2019 have the option for their child/children to stay at the current
nursery class or school without having to reapply for a nursery place for September 2019.
Children can remain at their current nursery setting until the term in which they turn 5. In
order to ensure that the nursery can secure the nursery place for your child/children for
September 2019, parents must notify their nursery before the end of the Spring term (i.e.
prior to Easter break). The nursery can then take into account the number of summer born
children continuing for another year when allocating places for September 2019. If parents
do not notify their nursery until after nursery allocations have been released, nursery
schools and classes will be under no obligation to offer a place above their normal intake
number. Children can, of course, be considered for a place through the normal continuing
interest process.

Admission of children out of their normal year group

Northamptonshire County Council’s policy is for children to be educated within their correct
chronological year group, with the curriculum differentiated as necessary to meet the
needs of individual children. This is in line with DfE guidance* which states that “in general,
children should be educated in their normal age group”. If parents/carers believe that their
child/children should be educated in a different year group they should, at the time of
application, submit supporting evidence from relevant professionals working with the child
and family stating why the child must be placed outside their normal age appropriate
cohort. DfE guidance makes clear that: “it is reasonable for admission authorities to expect
parents to provide them with information in support of their request – since without it they
are unlikely to be able to make a decision on the basis of the circumstances of the case”.

For community and voluntary controlled schools, Northamptonshire County Council, as the
relevant admission authority, will decide whether the application will be agreed on the
basis of the information submitted. Decisions will be made on the basis of the
circumstances of each case and in the best interests of the child concerned. This will
include taking account of the parent’s views; information about the child’s academic, social
and emotional development; where relevant, their medical history and the views of a
medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. Admission authorities must also take into account the views of the head teacher of the school concerned. When informing a parent of their decision on the year group the child should be admitted to, the admission authority must set out clearly the reasons for their decision.

There is no guarantee that an application will be accepted. If the application is refused, this does not constitute a refusal of a place and there is no right to an independent statutory appeal. Similarly, there is no right of appeal for a place in a specific year group at a school. The internal management and organisation of a school, including the placement of pupils in classes, is a matter for the Head teacher and senior leadership of individual schools. The Governing Body/Academy Trust of schools, which is responsible for their own admissions arrangements (academies, Voluntary Aided, Foundation and Free Schools) are responsible for making decisions about applications for places in their schools.

Special Educational Needs/EHC Plans

How do I apply for a school place if my child has an Education, Health and Care Plan?

If your child has an Education, Health and Care Plan, you do not apply for a school place using the normal application form. Instead you will receive a letter from the Education, Health and Care team, seeking details of your school preference.

You will be asked to return your preference within 15 days.

You will be informed of the outcome of this consultation by 15th February 2019.

If you disagree with this decision, you can then appeal to the Special Educational Needs and Disability Tribunal (SEND) and not to the independent appeal panel. If your child is under assessment for an Education Health & Care assessment, you will need to complete a preference form or apply online in the usual way.

Please note: Throughout this booklet, in each school’s oversubscription admission criteria, if reference is made to ‘pupils who have a Statement of Special Educational Needs’, this means pupils with Education, Health and Care (EHC) Plans.

Where can I get support?

School Admission Appeals

You have the right to appeal against the decision not to offer your child a place at the schools stated on your application, unless you have been allocated a higher preference. Before deciding to appeal, visit the Council’s website to find out if a satisfactory alternative school may be available and apply for it alongside the appeal process.

Read the on-line information about appealing and the timescales. If your appeal is for Reception, Year 1 or Year 2, the restrictions of Infant Class legislation may apply.

If you decide to appeal, you can complete the online appeal form on the Council’s website, or make a written request for an appeal pack to the school’s admission authority – contact details for appealing will be given with your offer letter and it is also on the Council’s website – www.northamptonshire.gov.uk

If you wish to submit supporting evidence after lodging your appeal, it should be e-mailed to AppealsTeam@northamptonshire.gov.uk within the next 10 working days. Please also use this e-mail address to notify us if you subsequently decide not to proceed with your appeal.

It is recommended that you do not reject the offered place while you pursue an appeal. This will ensure that if your appeal is unsuccessful, your child will not be left without a school place.

For further information on the appeal process, please go to the Council’s website – www.northamptonshire.gov.uk/appeals

You can also use the A-Z search to find School Admission Appeals.

Home to school transport to mainstream schools

Northamptonshire County Council will provide free transport on a school bus or via a bus pass for a scheduled bus service to their nearest suitable or linked primary school for:

- Children aged between 4 and their 8th birthday who live more than two miles from that school by the shortest available walking route.
- Children aged 8–16 who live more than three miles from that school by the shortest available walking route.

The shortest available walking route might include footpaths, bridleways and other tracks that are not passable by cars etc.

Families getting free school meals or the maximum Working Tax Credit.

Note: home to school transport is not a door-to-door service and primary school children may be expected to walk up to half a mile to and from home to their nearest pick-up point.

We will provide free transport on a school bus or via a bus pass for a scheduled bus service if:

- your child is aged 8 but under 11, and gets free school meals or you get the maximum Working Tax Credit, and
- the nearest suitable or linked primary school is more than two miles from your home as measured by the shortest available walking route.

You should apply to Northamptonshire Highways for free transport or a bus pass when your child becomes 8.

Note: if your child gets free school transport because of the benefits you receive, we will withdraw the transport at the end of the school year that you stop receiving those benefits.

Children allocated a place at a school not amongst their first three preferences

If we have to offer you a school place that is not amongst your three preferences and the school is more than the statutory distance from your home address or is an unacceptable walking route then we will offer transport by a dedicated vehicle or a bus pass.

Where to get more information

For further information about home to school mainstream transport, you can get the full Northamptonshire County Council’s Home to School Transport Policy:

- Email: mainstreamtransport@kierwsp.co.uk

If transport information changes after publication of this booklet, up-to-date information is available on the website.
In-Year applications

An in-year admission refers to an application for a school place made during the school year or an application for admission to a school made at the start of the school year for any year group other than the normal year of entry. The normal years of entry are:
Reception for entry to primary schools; Year 3 for junior schools; Year 7 for children moving into secondary schools and Year 10 for entry to UTC’s.

Northamptonshire County Council (NCC) co-ordinates in-year applications for the majority of schools in Northamptonshire, except for the following schools:
- Nicholas Hawksmoor Primary School
- Woodland View Primary School
- Bracken Leas Primary School
- The Radstone Primary Academy

These schools are responsible for the in-year admission process at their schools. If you wish to apply for a place at any of the schools listed above, please contact the school directly.

Please check our website for details of admissions arrangements for any new Free Schools planned to open in 2019.

In-year applications in Northamptonshire:
- Must not apply for a school place more than one month before it is required; applications outside of this timescale will not be processed;
- Must be made by a person with parental responsibility;
- Allow you to state up to 3 schools in order of preference;

The process can take up to 20 school days. If you live in the local area, your child should continue to attend their current school until an admission date has been agreed.

School places cannot be reserved, therefore we process and allocate places, where possible, close to the date the school place is required.

Your address

If you are moving into Northamptonshire, documentary evidence in the form of a solicitor’s letter to confirm exchange of contract or a copy of your signed tenancy or rental agreement may be required to verify your address.

If you are moving from overseas you should be aware that:
Children must be resident within the country before we will process an application. Please note that a visitor’s visa does not entitle your child to a school place;

If your application is due to a move into the UK, documentary evidence to verify your address may be required. A copy of either a Child Benefit letter or Tax Credit letter is normally acceptable, along with a copy of your rental agreement or an exchange of contract
letter. The County Council reserves the right to seek further documentary evidence as necessary.

Children of UK Service Personnel (UK Armed Forces) and Crown Servants

Special conditions apply to applications from UK Armed Service Personnel and Crown Servants. For families of service personnel with confirmed posting to their area, or crown servants returning from overseas to live in that area, admission authorities must allocate a place in advance of the family arriving in the area, provided the application is accompanied by an official letter that declares a relocation date and a Unit postal address or quartering area address.

Applications from infant school children for Year 3 places at primary schools

NCC is responsible for co-ordinating applications for Year 3 places at junior schools. If your child is attending an infant school, and you apply for a Year 3 place in a primary school instead of a Year 3 place in a junior school, such an application will be considered as an in-year application rather than through the co-ordinated scheme. This is because the normal year of entry for a primary school is Reception, not Year 3 and the co-ordinated scheme only applies to the normal year of entry for a school.

All Year 3 applications for a primary school place (instead of a junior school place) will be processed as in-year applications. The in-year application form may be completed online and can be found on the website under the heading ‘Moving into the Area or Changing Schools’. A paper application form can also be requested from the School Admissions Team.

Please note that we do not allocate an in-year school place more than one month in advance of the date the school place is required. Therefore, applications from children wanting a Year 3 place at a primary school (rather than a junior school) will be considered as in-year applications and will be processed from the middle of the summer term.

How do I find my nearest school or linked school?

Many rural areas have a linked school. A list of towns and villages and any links to schools are shown on pages 255-268. Living in a school’s linked area means that your child will rank higher in the oversubscription criteria for that school but does not guarantee a place there. Urban areas do not have linked schools.

You can find your nearest schools using the Online Schools Directory on our website www.northamptonshire.gov.uk/admissions

Please be aware that the distances stated on the Schools Directory are not as precise as the measurements used when we decide the outcome of a tiebreaker – these are calculated using a different mapping system.
What happens next?

When we receive your completed in-year application form we will contact your preferred schools to find out if they have any available places in your child’s year group. If we can offer a place at one of your preferred schools we will send you a letter and ask you to contact the school’s Head Teacher/Principal to confirm a start date for your child.

If you make a preference for a Foundation, Voluntary Aided, Academy or Free School, we will pass your application to the school for consideration as these types of schools are their own admission authority and they will advise us if a place is available.

If the admission number of your preferred school(s) has been reached in your child’s year group, we will not be able to offer you a place at the school – though you may be able to put your child’s name on a waiting list if you wish. Contact the School Admissions Team to find out how to do this (see page 18 for general information on waiting lists).

If we cannot offer you a place at any of your preferred schools and your child does not have a school place, we will offer a place at the school which is the nearest to your home address with places available in your child’s year group.

A parent/carer has the right to appeal against refusal of a place at any school for which they have applied. Please refer to the NCC website:

www.northamptonshire.gov.uk/appeals

More information about in-year admissions process is available on our website:

www.northamptonshire.gov.uk/admissions
Contact details for neighbouring local authorities

If you live in Northamptonshire and wish to apply for a school outside the county, you must include this preference on Northamptonshire’s application form. Do not send an application form to the local authority in which the school is situated.

If you would like details of schools in other local authorities please contact these authorities directly, see contact details below:

We have arranged the schools into the six areas of the county, for ease of reference. This does not mean that you are restricted to making your preferences from within one area. Your preferences may include schools from any part of the county or schools in other local authority areas. Details of School Open Evenings/days can be found by viewing the schools’ websites or by contacting the schools directly.

Many schools are applying for Academy status throughout the year; please check the schools’ websites for further information.

Please note that the information in this booklet is correct at the time of publishing, but may be subject to change.

Please see [www.northamptonshire.gov.uk/admissions](http://www.northamptonshire.gov.uk/admissions) for up to date information.

**Section 3a – School Information**

This section lists all the Northamptonshire Primary Schools you can apply for. The tables on the following pages give you information about each school.

What information do the tables show?

- **DFE number** is the unique number given to each school. If you apply using the paper application form you must write the DfE number of your preferred schools in section 3 of the form.

**The DfE number** is the unique number given to each school. If you apply using the paper application form you must write the DfE number of your preferred schools in section 3 of the form.

The **Age Range** tells you the type of school:
- Primary: ages 4-11
- Infant: ages 4-7
- Junior: ages 7-11

**PAN** is the Published Admission Number. This is the number of places available at the school.

A ‘yes’ in this column shows the school had more applications last year (2018 intake) than available places, meaning that not all of the applicants could be allocated a place.

**Type of School** shows how the school is run and who allocates the places:
- A = Academy
- VC = Voluntary Controlled
- A = Voluntary Aided
- C = Community
- F = Foundation

**Free School**
See page 7 for full definition of types of schools.

**NOR** is the estimated Number of students on Roll at the school in September 2018.

If the school has linked area(s) this is shown here. Children living in linked area(s) have some priority in the admissions criteria.

States the page number for the Admission Criteria of the school.

This shows the total number of preferences received on time for 2018 intake.

Section 3b – Admission criteria

Pages 116 – 247 give details of the admission criteria of each primary school in Northamptonshire.

When a school receives more applications than it has places available (this is usually called its published admission number), the school’s oversubscription admission criteria are used to decide which applicants are offered places. In each case the criteria are applied in the order of priority stated. In many cases when the published admission number (PAN) is reached within one of the criteria groups, we use a tiebreaker based on distance. All distance measurements are done on a straight-line basis unless the school states otherwise.

Further Advice

1. Many schools are applying for Academy status throughout the year; please check the school's individual website for further information regarding this.
2. Throughout this booklet, in each school’s oversubscription admission criteria, if reference is made to ‘pupils who have a Statement of Special Educational Needs’, this means pupils with Education, Health and Care (EHC) Plans.
3. We advise parents to read the following definitions in the Glossary regarding:
   - Closer to the preferred school than any other school
   - Distance Tiebreakers
   - Siblings
   - Faith Schools
   - Looked After Children/Public Care
   - Where schools which are their own admission authority (OAA) use slightly different definitions from those included in the Glossary of this booklet, these can be found on the school's admission criteria page or on the individual school’s website.

Please be aware that the information in this booklet is correct at the time of publishing, but can be subject to changes. Please see our website for updated information.
School admissions criteria

Certain schools share the same admissions criteria, so for ease of reference we have grouped these together as follows:

- Primary Schools – urban Group B (see page 117)
- Primary Schools – rural Group A (see page 118-119)
- Primary Schools – rural Group B (see page 120)
- Infant Schools – urban Group (see page 121)
- Junior Schools – urban Group A (see page 122)
- Junior Schools – urban Group B (see page 123)
- Infant Schools – rural group (see page 124)
- Primary Schools – urban with linked area Group A (see page 125)
- Primary Schools – urban with linked area Group B (see page 126)
- Infant Schools – urban with linked area Group A (see page 127)
- Infant Schools – urban with linked area Group B (see page 128)
- Junior Schools – urban with linked area Group A (see page 129).
- Junior Schools – urban with linked area Group B (see page 130).

The admission criteria that apply to each of these groups are on the pages shown above.

Specific admission criteria

The rest of the schools have their own specific admission criteria. These are shown alphabetically on pages 131-247.

   I. Children in public care or previously in public care but immediately after being looked after became subject to an adoption, child arrangements order or special guardianship order (see page 252 for full definition)
   II. Pupils with a brother or sister continuing at the school at the time of admission of the child.
   III. Pupils who live closer to the preferred school than any other school.
   IV. Other pupils.

Tiebreaker

If the admission number is exceeded within any criterion priority will be given to those who live closest to the school.

4. Pupils who live closer to the preferred school than any other school.
5. Other pupils.

Tiebreaker - If the admission number is exceeded within criterion (4) priority will be given to those who live furthest from the nearest alternative school. If the admission number is exceeded within any other criterion priority will be given to those who live closest to the school.

All Saints CEVA Primary School, Northampton
The governors will admit all children with an EHC Plan which names the school. When there are more applications than there are places available, the governors will admit pupils according to the following criteria which are listed in order of priority:

1) The governors will admit a ‘looked after child’, or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements order, or special guardianship order (see page 252 for full definition of a Looked After Child).
2) Children who have a sibling attending the school at the time of admission of the child (see sibling on next page).
3) Children of worshipping members of any Church which is located in the Northampton ecclesiastical parishes of Kingsthorpe St John the Baptist, St David with St Mark, Holy Trinity with St Paul, St Giles and All Saints and that part of the parish of Boughton to the south and east of Holly Lodge Drive **, and is a member of Churches Together in England; this includes the Church of England. These applications must be accompanied by form SIF/A available from the school. The completed SIF/A will then be sent to the minister with form SIF/B to verify church allegiance.
4) The child of a member of staff provided they have been employed by the school for a minimum of two years. *(See staff definition below)*

5) Children living with their parent(s)/legal guardian(s) in the Northampton ecclesiastical parishes of Kingsthorpe St John the Baptist, St David with St Mark, Holy Trinity with St Paul, St Giles and All Saints and that part of the parish of Boughton to the south and east of Holly Lodge Drive. **Residency definition and parish boundaries shown below.**

6) Children of worshipping members of any Church that is a member of Churches Together in England; this includes the Church of England. *These applications must be accompanied by form SIF/A available from the school. The completed SIF/A will then be sent to the minister with form SIF/B to verify church allegiance.*

7) Children of parent(s)/legal guardian(s) of other faiths, or none, who wish their child to be educated in a church school and Christian environment.

**Tiebreaker**
Where there are more applications in any one category, applications will be prioritised on the distance from the child’s home to the address point of the school (priority being given to the children who live closer to the school). *(See page 249 for details of distance measurements)*

**Residency Definition** - The child’s place of residence is the address of the parent or legal guardian with whom the child spends the majority of time during the school week.

**Parish boundaries** - For parish boundaries, consult the enclosed map or, for more precision, on the internet visit www.achurchnearyou.com, put in your postcode, click on where you live and the name of your parish will be shown. **encompassing the streets, Dixon Road, Briscoe Close, Jacorrin Close, Jackson Close and Rowley Way, all of which come within the Parish of Boughton.**

**The definition of a brother or sister (sometimes referred to as a sibling):**
- a brother or sister sharing the same parents;
- a half-brother or half-sister where two children share one common parent;

A brother or sister must be living at the same address when the application is made.

**Definition of Staff** - The definition of staff will be any permanent member of the school staff, including support and administrative staff, who has been directly employed by the school for a minimum of two years.

**Definition of Worshipping Member** - At least one of the parents or guardians of the child is regarded by the priest/minister/worship leader as part of the worshipping community at the church/worship centre. This would not necessarily mean that the parent is a “member” in a technical sense (e.g. through baptism, confirmation or electoral roll) but would imply a pattern of attendance at worship (on Sunday or at other times) that is more than “occasional” and has been sustained for more than a short, very recent period of time.
All Saints CEVA Primary School and Nursery (Wellingborough)

The Governing Body is the Admission Authority in this Voluntary Aided School and is therefore responsible for the admission of children to the school. The Governors will admit children with an EHC Plan which names the school.

2. Children who worship at All Saints Church Wellingborough. These applications must be accompanied by form SIF/A which is available from the school. The completed SIF/A will then be sent to the minister with the form SIF/B to verify church allegiance.
3. Children who have a sibling continuing attendance at the school at the time of admission of the applicant (see sibling definition below).
4. Children for whom All Saints Primary School is the closest Primary/Infant School to their home.
5. Children of worshipping members of any church that is a member of Churches Together in England (this includes the Church of England). These applications must be accompanied by form SIF/A available from the school. The completed SIF/A will then be sent to the minister with the form SIF/B to verify church allegiance.*

Definition of Home address/residence - The child’s home address means the permanent residence of the child at the time of application. Parents/carers may be asked to produce proof of a claim of residence at any time during the admission process. The address must be the child’s only or main residence that is either:
- Owned by the child’s parent(s) or carer(s);
- Leased to or rented by the child’s parent(s) or carer(s) under a lease or written rental agreement of not less than 6 months duration. The property leased must be where the family lives.

For parents/carers to be worshipping members, at least one of the parents/carers of the child needs to be regarded by the priest/minister/worship leader as being part of the worshipping community at the church/worship centre. This would not necessarily mean that the parent/carer is a “Member” in the technical sense (e.g. through baptism, confirmation or electoral roll) but would imply a pattern of attendance at worship (on Sunday or at other times) that is more than “occasional” and has been sustained for more than a short, very recent, period of time.

Barby Church of England Primary School oversubscription criteria continued

4. Children, one of whose parents attended Barby C.E. Primary School, or who lived in Barby or Onley for at least 5 years since 2001. (Documentary evidence will be required to confirm that this criterion is met).

5. Other children.

Tiebreaker

If the admission number is exceeded within criterion 2, priority will be given to those who live furthest from the nearest alternative school. Within any other criterion, applications will be prioritised on the distance from the child’s home to school (priority being given to the children who live closer to the school). 4. Children within the area defined as Beanfield. This area encompasses all houses within the bordering area of A6003, A427, Jubilee Avenue and Gainsborough Road; including all roads leading from Tower Hill.

5. Other children.

Tie Breaker and Definitions on next page
Beanfield Primary Academy Distance Tiebreaker
If the admission number is exceeded within any criteria, priority will be given to those who live closest to the school. Measurements are carried out in a straight-line based from the child’s home to the address point of the school.

Home address
Where a child lives or their “home address” will be determined at the time of application. The child’s home address is defined as the address at which the child normally resides with their parent/carer. If a child lives with their separated parents for different parts of the week, the Trust will treat their home address as the place the child sleeps for the majority of the school week. If the child spends equal periods at the two addresses, the parents must agree to nominate one address to be taken as the home address.

Sibling Link - A sibling link will arise where one of the conditions in each of A and B are satisfied.
Condition A
• A brother or sister living at the same address, who shares the same parents;
• A half-brother or half-sister living at the same address, where two children share one common parent;
• A step brother or step sister living at the same address, where two children are related by a parent’s marriage;
• Adopted or fostered children living in the same household.
Condition B - For the sibling link to apply, one of the siblings must be a registered pupil at the named Academy at the time of application and is expected to remain on roll at the point of admission.

Additional Sibling Link Information - Although the definition of “Sibling” does not specify whether the Sibling should be younger or older, it should be noted that for admissions to the primary or secondary phases of education, the sibling link will only be valid where the older sibling is on roll at the academy at the time of application and is expected to be still on roll at the time of admission.

ii. Children who live in the linked area and have an older brother or sister continuing at the school at the time of admission of the younger child (details of linked area on page 90)

- a step brother or step sister, where two children are related by a parents’ marriage/civil partnership;
A child who has been adopted or is fostered by parents/carers who have other children.

Children of “worshipping members”
For parents/carers to be worshipping members, at least one of the parents/carers of the child needs to be regarded by the priest/minister/worship leader as being part of the worshipping community at the church/worship centre. This would not necessarily mean that the parent/carer is a “Member” in the technical sense (e.g. through baptism, confirmation or electoral roll) but would imply a pattern of attendance at worship (on Sunday or at other times) that is more than “occasional” and has been sustained for more than a short, very recent, period of time.

SIF A/B
If parents/carers wish their application to be considered in criterion 4 or 5, they must complete form SIF/A which is available from the School and return it to the School (not the local authority). This must be done by the deadline of 5pm on 15 January 2019. The School will submit the completed form SIF/A to the relevant minister with form SIF/B to verify the information. As SIF/B needs to be returned to the School in time for the School to rank admissions, it is very important to submit form SIF/A to the School as soon as possible.

Corby Primary Academy
The Corby Primary Academy will first accept all pupils with a statutory right to a place at the Academy through an Education Health and Care Plan naming the Academy. After the admission of these pupils, criteria will be applied for the remaining places in the order in which they are set out below:

a) Looked After children or previously Looked After children (see page 252 for full definition).

b) Children who live in the linked area* and who have a sibling (see below for sibling definition) on roll at the Academy at the time of application.

c) Other children who live in the linked area (see page 36 for linked area).

d) Other children who do not live in the linked area and who have a sibling on roll at the Academy at the time of application.

Tie break - If the admission number is exceeded within any of the above criterion, priority will be given to those who live closest to the Academy. Distances are measured from the property to the address point of the Academy. It is measured on a straight line basis using a geographical information system. Each address has a unique address point established by the Ordnance Survey and the Royal Mail address files. The address point for a property does not change. If two children are tied for the last place, after the above distance tie-break has been applied, then a process of random allocation, undertaken by someone independent of the Academy, will determine who is allocated the last place.

Definition of siblings and the position of twins - A sibling is defined as children who live as brother or sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers and sisters or another child normally living for the majority of term time in the same household, where an adult in the household has parental responsibility as defined by the Children Act 1989, or any child in the household where an adult in the household is defined as a parent for the purposes of
Section 576 of the Education Act 1996. This could include a person who is not a parent but who has responsibility for him/her.

In the case of twins or other siblings from a multiple birth, where there is only one place available in the Academy, these will be considered together as one application. The Academy’s admission number may be exceeded by one; the School Admissions Code makes an exception to the infant class limit in this situation.

In the case of siblings in the same year group, where there is only one place available in the Academy, both will be considered together as one application. The Academy may go above its admission number as necessary to admit all the children, except in cases where infant class regulations, as stated in the Schools Admissions Code, prevent this from happening.

**Definition of Residency** - The child’s place of residence is the address of the parent or legal guardian with whom the child spends the majority of time during the school week. Parents/guardians may be asked to produce evidence of residency/home address at any time during the admissions process.

If a child’s parents live at separate addresses, the address where the child permanently spends at least three ‘school’ nights (i.e. Sunday, Monday, Tuesday, Wednesday or Thursday) will be taken to be the place of residence.

**For Parish boundaries**, please consult the map of parishes available at the school or visit the internet site www.achurchnearyou.com, put in your postcode, click on where you live and the name of your parish will be shown.

The Trust is the Admission Authority and has responsibility for setting the Admission Policy, but the policy is administered by the Local Governing Board (LGB). The LGB will admit children with an Education, Health and Care Plan (EHC Plan) which names the School. Where there are more applications than there are places available, children will be admitted according to the following criteria, which are listed in order of priority:

(See worshipping members and residency definitions notes regarding parish boundaries and Churches Together in Great Britain and Ireland on next page). These applications must be accompanied by form SIF/A, which is available from the School. The completed SIF/A will then be sent to the minister with form SIF/B to verify. (See notes on next page regarding SIF forms).
3. Children residing with parents/carers in the villages of Great or Little Addington. (See residency definition and notes regarding parish boundaries on next page).

(See notes following regarding SIF forms).
7. Siblings of a former pupil of Great Addington Church of England Primary School. (See sibling definition below).

8. Children not falling within any of the above categories will be prioritised according to who lives closest to the School. (See residency definition and as to how this distance is measured - see definition of distance measurements below)

**Distance Tiebreaker** - If the admission number is exceeded within any criterion, priority will be given to those who live closest to the School. Distances are measured on a straight line basis from the address point of the child’s home to the address point of the School, using a geographical information system. (See page 249 for full details of how distance is measured)

**Definition of child’s home address/residence** - The child’s home address means the permanent residence of the child at the time of application. Parents/carers may be asked to provide proof of a claim of residence at any time during the admission process.

The address must be the child’s only or main residence that is either:

- Owned by the child’s parent(s) or carer(s);

**Children of “worshipping members”** - For parents/carers to be worshipping members, at least one of the parents/carers of the child needs to be regarded by the priest/minister or worship leader as being part of the worshipping community at the church/worship centre. This would not necessarily mean that the parent/carer is a “Member” in the technical sense (e.g. through baptism, confirmation or electoral roll) but would imply a pattern of attendance at worship (on Sunday or at other times) that is more than “occasional” (on average at least once a month) and has been sustained for approximately a year.

**SIF A/B** - If parents/carers wish their application to be considered in criterion 2, 5 or 6, they must complete form SIF/A which is available from the School and return it to the School (not the local authority). This must be done by the deadline of 5pm on 15 January 2019. The School will submit the completed form SIF/A to the relevant minister with form SIF/B to verify the information. As SIF/B needs to be returned to the School in time for the School to rank admissions, it is very important to submit form SIF/A to the School as soon as possible.

**Definition of Siblings** - A brother or sister living at the same address as the applicant (i.e. within a family unit) including:

- a brother or sister sharing the same parents
- a half-brother or half-sister where two children share one common parent

- A child who has been adopted or is fostered by parents/carers who have other children.

Additional Sibling Link Information - Although the definition of “Sibling” does not specify whether the Sibling should be younger or older, it should be noted that for admissions to the primary or secondary phases of education, the sibling link will only be valid where the older sibling is on roll at the academy at the time of application and is expected to be still on roll at the time of admission.

Guidance on the term “worshipping member”
At least one of the parents or guardians of the child is regarded by the priest/minister/worship leader as part of the worshipping community at the church/worship centre. This would not necessarily mean that the parent is a “Member” in a technical sense (e.g. through baptism, confirmation or electoral roll) but would imply a pattern of attendance at worship (on Sunday or at other times) that is more than “occasional” and has been sustained for more than a short, very recent period of time.

Tiebreaker - If the admission number is exceeded within any criterion, priority will be given to those who live closest to the School. (As to how this distance is measured – see 'Distance Measurements' below)

Notes and Definitions

Distance Measurements - Distances are measured on a straight line basis from the address point of the child’s home to the address point of the School, using a geographical information system. Each address has a unique address point established by the most valuable elements from the National Land and Property Gazetteer (NPLG), Ordnance Survey Master Map, Royal Mail Postal Address File and The Valuation Office Agency. The address point for a property does not change.

Definition of child’s home address/residence - The child’s home address means the permanent residence of the child at the time of application. Parents/carers may be asked to provide proof of a claim of residence at any time during the admission process. The address must be the child’s only or main residence that is either:

- Owned by the child’s parent(s) or carer(s);
- Leased to or rented by the child’s parent(s) or carer(s) under a lease or written rental agreement of not less than 6 months duration. The property leased must be where the family lives.

Children of ‘worshipping members’ - For parents/carers to be worshipping members, at least one of the parents/carers of the child needs to be regarded by the priest/minister/worship leader as being part of the worshipping community at the church/worship centre. This would not necessarily mean that the parent/carer is a “Member” in the technical sense (e.g. through baptism, confirmation or electoral roll) but would imply a pattern of attendance at worship (on Sunday or at other times) that is more than “occasional” and has been sustained for more than a short, very recent, period of time.

SIF A/B

If parents/carers wish their application to be considered in criterion 5 and 6, they must complete form SIF/A which is available from the School and return it to the School (not the local authority). This must be done by the deadline of 5pm on 15 January 2019. The School will submit the completed form SIF/A to the relevant minister with form SIF/B to verify the information. As SIF/B needs to be returned to the School in time for the School to rank admissions, it is very important to submit form SIF/A to the School as soon as possible.
Churches together in Great Britain and Ireland - Please see [www.ctbi.org.uk](http://www.ctbi.org.uk) for list of member churches.

**Definition of Sibling** - A brother or sister living at the same address as the applicant (i.e. within a family unit) including:
- a brother or sister sharing the same parents;
- a half-brother or half-sister where two children share one common parent;
- a step brother or step sister, where two children are related by a parents’ marriage/civil partnership;
- A child who has been adopted or is fostered by parents/carers who have other children.

**Social/Medical need definition**
If you believe that your child has exceptional medical or social needs you will need to provide evidence of this from an appropriate professional. The needs must relate to your child and the evidence must detail how the needs of your child can only be met at your preferred school. This can be sent in a sealed envelope if you prefer. If accompanied by a professional’s letter, they MUST demonstrate in their judgement why Hackleton School can meet your child’s needs, and also demonstrate why other local schools cannot meet your child’s needs. It is not sufficient for a professional to say in their judgement only Hackleton School can meet your child’s needs, they must state why schools B or C cannot meet the needs. Hackleton governors admissions panel, having read the evidence received will make the final decision whether or not to admit the child.

**Hall Meadow Primary School**
Following the allocation of places to pupils who have an EHC Plan which names the school as appropriate provision, when there are more applications for places than there are places available, priority will be given in the following order:

ii. Pupils living within the defined area* who have an older brother or sister continuing at the school at the time of admission of the younger child.

1. In the case of oversubscription, the Governing Body will accept applications as a priority, for ‘looked after’ children or previously ‘looked after children’ but immediately after being looked after became subject to an adoption, child arrangements order or special guardianship order, as defined in the Education (Admissions of Looked after Children) (England) Regulations (see page 252 for full definition).

4. Children who have an older sibling continuing to attend Hardingstone Academy at the time of admission of the younger child.

5. Proximity of the child’s permanent residence to the school, with those living nearer to the school being accorded higher priority.

Tiebreaker

Where more than one application is to be considered in any category above, applications will be prioritised according to the shortest straight line distance from the child’s permanent residence to the main entrance to the school. Where necessary, this will be measured by school staff. The Governing Body reserves its entitlement to take reasonable steps to verify the accuracy and permanence of such residence.

If accompanied by a professional’s letter, they MUST demonstrate in their judgement why Hartwell Primary School can meet your child’s needs, and also demonstrate why other local schools cannot meet your child’s needs. The decision as to whether the application is met by this criteria is made by the School Governors.

Millbrook Infant School

Following the admission of children with an EHC Plan which names the school as appropriate provision, the following criteria will be used;

1. Children in public care or previously in public care but immediately after being looked after became subject to an adoption, child arrangements order or special guardianship order (see page 252 for full definition).

2. Where the child has a brother or sister currently attending the school or the linked Junior School at the time of admission.

3. Proximity of the child’s permanent or main address, measured in a straight line from the school, with those living nearer being accorded the higher priority.

Tiebreaker

In the event of oversubscription within any criterion, places will be allocated on the basis of proximity (priority being given to the children who live closer to the school). Distances will be determined by the Local Authority from the address point of the child’s home address to the address point of the school measured on a straight-line basis using a geographical information system. (See page 249 for distance measurements)

Millbrook Junior School

Places will be allocated to pupils who have an Education, Health and Care (EHC) Plan that names the school as appropriate provision. Where there are more applications for places than places available, places will be allocated in the following order of priority:

1. Children in public care or previously in public care. Children previously in public care are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order)- see page 252 for full definition;

2. Children of staff at Millbrook Junior School;

3. Children who live on the Ise Lodge Estate, (see map held in the school office) who have a sibling attending Millbrook Junior School. The sibling must still be attending Millbrook Junior School when the child is admitted to the Millbrook Junior School;

Millbrook Junior School oversubscription criteria continued

5. Children who live on the Ise Lodge Estate, who have a sibling attending Millbrook Infant School. The sibling must still be attending the Infant School when the child is admitted to Millbrook Junior School;

6. Children who do not live on the Ise Lodge Estate, who have a sibling attending Millbrook Junior School. The sibling must still be attending Millbrook Junior School when the child is admitted to Millbrook Junior School;

7. Children who do not live on the Ise Lodge Estate, who attend Millbrook Infant School;

8. Children who do not live on the Ise Lodge Estate, who have a sibling attending Millbrook Infant School. The sibling must still be attending the Infant School when the child is admitted to Millbrook Junior School;

9. Children living on the Ise Lodge Estate;

10. Other children.

Tiebreaker

If the admission number for the school is exceeded within any criterion, priority will be given to those who live closest to the school.

Distance Measurements are measured on a straight line basis from the address point of the child’s home to the address point of the School, using a geographical information system. Each address has a unique address point established by the most valuable elements from the National Land and Property Gazetteer (NPLG), Ordnance Survey Master Map, Royal Mail Postal Address File and The Valuation Office Agency. The address point for a property does not change.

Definition of child’s home address/residence

The child’s home address means the permanent residence of the child at the time of application. Parents/carers may be asked to provide proof of a claim of residence at any time during the admission process. The address must be the child’s only or main residence that is either:

- Owned by the child’s parent(s) or carer(s);
- Leased to or rented by the child’s parent(s) or carer(s) under a lease or written rental agreement of not less than 6 months duration. The property leased must be where the family lives.

Definition of Sibling

A brother or sister living at the same address as the applicant (i.e. within a family unit) including:

- a brother or sister sharing the same parents;
- a half-brother or half-sister where two children share one common parent;
- a step brother or step sister, where two children are related by a parents’ marriage/civil partnership;
- a child who has been adopted or is fostered by parents/carers who have other children.
Milton Parochial Primary School

Milton Parochial Primary School is an Academy within the Peterborough Diocese Education Trust. The Academy Trust is the admission authority and has responsibility for setting the Admission Policy. The policy is administered by the Local Governing Body. The governors will admit all pupils with an Education Health and Care Plan which names the school. When there are more applications than there are places available, the governors will admit pupils according to the following criteria which are listed in order of priority:

1. A ‘looked after child’ or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order (see page 252).
2. Children who live within the civic parish boundary in Milton Malsor.
3. Children with an older brother or sister continuing at the school at the time of admission of the younger child.
4. Other children.

Tiebreaker

If the admission number is exceeded within criterion 2, priority will be given to those who live furthest from the nearest alternative school. Within any other criterion, applications will be prioritised on the distance from the child’s home to school (priority being given to the children who live closer to the school). Distances are provided by the Local Authority and are measured on a straight-line basis using a geographical information system. (See page 249 for full details of how distance is measured)

Home address - The home address of a pupil is considered to be the permanent residence of the child in a residential property when the place is offered. The address must be the child’s only or main residence and is either:

- Owned by the child’s parent, parents or guardian;
- Leased to or rented by the child’s parent, parents or guardian under lease or written rental agreement of not less than six months’ duration.

Sibling - Pupils who will have a brother or sister continuing on the school roll at the date of starting at the school. The definition of a brother or sister (sometimes referred to as a “sibling”) is:

- A brother or sister sharing the same parents
- A half-brother or half-sister, where two children share one common parent
- A step-brother or step-sister, where two children are related by a parent’s marriage or partnership. The partners must have co-habited in a permanent exclusive relationship (as if they were husband and wife or civil partners) for a minimum of 2 years
- Adopted children.

A brother or sister must be living at the SAME address when the application is made.
Monksmoor Park CE Primary School

The Governing Board is the Admission Authority in this Voluntary Aided School and is therefore responsible for the admission of the children to the school. The published admission number (PAN) for the school is 30. This means that the Governing Body may admit up to 30 children per year group. The Governors will admit children with an Education, Health and Care Plan (EHC Plan) which names the School. When there are more applications than there are places available, the Governors will admit children according to the following admission oversubscription criteria which are listed in order of priority.

1. Children Looked After and children who were previously looked after but immediately after being looked after were adopted or became subject to a child arrangements order, or special guardianship order. (See page 252 for full definition)
2. Children who have a sibling continuing attendance at the school at the time of admission of the applicant (see sibling definition following):
3. Children for whom Monksmoor Park CE Primary School is the closest Primary/Infant School to their home. (See page 249 for details of how distances are measured):
4. Children of worshipping members of any church that is a member of Churches Together in England (This includes the Church of England); these applications must be accompanied by form SIF/A available from the school. The completed SIF/A will then be sent to the minister with the form SIF/B to verify church allegiance;
5. Other children, whose parents have requested a place.

Tiebreaker

If the admission number is exceeded within any criterion, priority will be given to those who live closest to the School. (As to how this distance is measured – Distance calculations are provided to the Governing Board by Northamptonshire County Council – see page 249)

Definition of child’s home address/residence

The child’s home address means the permanent residence of the child at the time of application. Parents/carers may be asked to provide proof of a claim of residence at any time during the admission process. The address must be the child’s only or main residence that is either:

- Owned by the child’s parent(s) or carer(s);
- Leased to or rented by the child’s parent(s) or carer(s) under a lease or written rental agreement of not less than 6 months duration. The property leased must be where the family lives.

SIF A/B

If parents/carers wish their application to be considered in criterion 4, they must complete form SIF/A which is available from the School and return it to the School (not the local authority). This must be done by the deadline of 5pm on 15 January 2019. The School will submit the completed form SIF/A to the relevant minister with form SIF/B to verify the information. As SIF/B needs to be returned to the School in time for the School to rank admissions, it is very important to submit form SIF/A to the School as soon as possible.

Definition of Sibling

A brother or sister living at the same address as the applicant (i.e. within a family unit) including:

- a brother or sister sharing the same parents;
- a half-brother or half-sister where two children share one common parent;
- a step brother or step sister, where two children are related by a parents’ marriage/civil partnership;
- A child who has been adopted or is fostered by parents/carers who have other children.

Moulton Primary School

Following the application of places to pupils who have an EHC Plan which names the school as appropriate provision, where there are more applications for places than there are places available, priority will be given in the following order:

1. To children in public care (looked after children) or previously in public care (see full definition of a Looked After Child on page 252).
2. To children who live in the school’s formally designated area. That is the area of Moulton Parish boundary by grid ref: 76.7,67 East to West and 79.6,67 North to South.
3. To children who will have brothers or sisters continuing at the school at the time of the admission of the younger child.
4. To children who live in the area immediately beyond the parish boundary and known as Moulton Leys, the remainder of the parish boundary excluded by criteria 2 and the odd numbers at Thorpeville. That is the area bounded by the town boundary, Boughton Lane, Talavera Way and the A43 Kettering Road.
5. To children who live outside these areas by reference to the location of the child’s address in relation to Moulton Primary School.

Tiebreaker

Proximity to the school will be used as a tiebreaker in the event of over subscription in any of the above criteria (priority being given to the children who live closer to the school). Where distance is used to determine which children will be offered a place, this will be measured by a straight line measuring system.
Newbottle and Charlton CEVA Primary School

The governors will admit children with an EHC Plan which names the school. Where there are more applications for places than there are places available, priority will be given in the following order:

1. A ‘looked after child’ or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements order, or special guardianship order (see full definition of a Looked After Child on page 252).

2. The Governors will admit children on social or medical grounds, where professionals have clearly identified that the school will best meet the needs of the child. *These applications must always be accompanied by documentary evidence from appropriate professionals within the Health or Social Services.*

3. Children of parent(s)/legal guardian(s) resident in the ecclesiastical parishes of Newbottle with Charlton and Aynho who have a sibling who will be continuing to attend the school at the time of admission of the child.

4. Children of parent(s)/legal guardian(s) resident in the ecclesiastical parishes of Newbottle with Charlton and Aynho who are worshipping members of the Church of England or any other Church that is a member of Churches Together in England. *Applications should be accompanied by a reference form (SIF-A) available from the school. The completed SIF-A form will be sent to the minister and he/she will be asked to complete the SIF-B form, confirming the statements on SIF-A.*

5. Children of parent(s)/legal guardian(s) resident in the ecclesiastical parishes of Newbottle with Charlton and Aynho.

6. Children of parent(s)/legal guardian(s) outside the ecclesiastical parishes of Newbottle with Charlton and Aynho who have a sibling who will be continuing to attend the school at the time of admission of the child.

7. Children of parent(s)/legal guardian(s) outside the ecclesiastical parishes of Newbottle with Charlton and Aynho who are worshipping members of the Church of England or any church that is a member of Churches Together in England. Applications should be accompanied by a reference form (SIF-A) available from the school. The completed SIF-A form will be sent to the minister and he/she will be asked to complete the SIF-B form, confirming the statements on SIF-A.

8. Children of members of staff who have been employed by the school for at least two years or who have been appointed to meet a particular skills shortage.

9. Any other children.

**Tiebreaker** - Where there is a tie for places in any one category, applications will be determined by random allocation. Each child will be given a number. These numbers will be folded and put into a covered box. A person, independent of the school, will withdraw the requisite number of places to be allocated. A second person, who is also independent of the school will observe the whole process. These independent persons shall be representatives from the Diocesan Board or the county admissions committee.
Newbottle and Charlton CEVA Primary School definitions

Parish Boundaries - For parish boundaries, visit the internet site www.achurchnearyou.com put in your postcode, click on where you live and the name of your parish will be shown.

Residency Definition - The child’s place of residence is the address of the parent or legal guardian with whom the child spends the majority of time during the school week. (Parent(s)/legal guardian(s) may be asked to produce evidence of residency/home address at any time during the admissions process).

Definition of Siblings - The definition of a brother or sister sometimes referred to as a sibling:

- a brother or sister sharing the same parents
- a half-brother or half-sister where two children share one common parent
- a step-brother or step sister, where two children are related by a parent’s marriage
- adopted children

A brother or sister must be living at the same address when the application is made.

Multiple births - Multiple births will be given one admissions number. If the last pupil to be offered a place within the school’s published admission number is a multiple birth, any further sibling can be admitted. This may raise the intake number above the PAN but this will remain unchanged so that no other pupil will be admitted until a place becomes available.

Newnham Primary School

Children with an EHC plan naming Newnham Primary School will always be offered places should the facilities of the school allow the needs of the child to be met. If there is then greater demand for admission than there are places available, the following criteria will be applied in the order set out below:

a) Looked-after children and children who were previously looked after, but ceased to be so because, immediately after being looked after they were adopted or became subject to a child arrangements order or special guardianship order (see full definition of a ‘Looked After Child’ on page 252).

b) Children with a normal home address (See Note 2 – definition of ‘home address’) in the village of Newnham and its surrounding villages (Everdon, Badby, and Fawsley)*; and with a sibling (see definition of ‘sibling’ below) on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school.

c) Children with a normal home address in Newnham, Everdon, Badby and Fawsley*.

d) Children with a normal home address outside the areas defined in criteria C and with a sibling on the roll of the school at the time of application or whose parent has accepted an offer of a place at the school and who is expected still to be in attendance at the time of entry to the school. (See note 3 – definition of sibling)

e) All other applications.
Newnham Primary School Tiebreaker and definitions

Tiebreaker

If there is any over-subscription in any category the following tiebreaker will apply. Proximity of the child’s home, as measured by the straight line distance between the home and the school’s address point by the NCC using their geographical information system with those living nearer being accorded the higher priority, will serve to differentiate between children in criteria a to e should the need arise. In the event that two distance measurements are identical, the school will use random allocation to decide which child should be offered the place. The process will be conducted in the presence of a person independent of the school and you are welcome to view the process.

Note 1 – Definition of Parent - “Parent” is defined in law (The Education Act 1996) as either:

- any person who has ‘parental responsibility’ (defined in the Children Act 1989) for the child or young person; or
- any person who has care of the child or young person.

If you are in any doubt, please contact the School for advice.

Note 2 – Definition of Home address - By normal home address, we mean the child’s home address where he or she sleeps for the majority of the school week. This must be where the parent or legal carer of the child lives with the child unless it is proved that the child is resident elsewhere with someone else who has legal care and control of the child. The address should be a residential property that is owned, leased or rented by the child’s parent/s or person with legal care and control of the child.

To avoid doubt, where a child lives with parents with shared responsibility, each for part of a week or month, the address where the child lives will be determined having regard to a joint declaration from the parents stating the exact pattern of residence. If a place at the school is offered, and it later becomes clear that the offer was made on fraudulent or misleading information (e.g. a false claim to living in the catchment area), and the school has denied a place to a child with a stronger claim, the school will withdraw the offer of a place. The offer can also be withdrawn even after the child has started at the school.

If parents move house after the application has been made, but before any offer of a place has been made, the school must be informed. If parents are moving, we will ask for evidence of the move, before considering any application for a place.

Note 3 – Definition of Sibling - A child with a sibling on roll at the time of application. Siblings include a brother or sister who share the same parents; a half-brother, half-sister or legally adopted child living at the same address; a child looked after by a local authority placed in a foster family with other school age children; a stepchild or children who are not related but live as a family unit, where parents both live at the same address as the child.
Nicholas Hawksmoor Primary School

Following the allocation of places to pupils who have an EHC Plan which names the school as appropriate provision, when there are more applications for places than there are places available, priority will be given in the following order:

i. Looked after children and previously looked after children but immediately after being looked after became subject to an adoption, child arrangements order or special guardianship order (see page 252 for full definition).

ii. Children who will have a brother or sister continuing at the school at the time of the admission of the younger child. The definition of a brother or sister (sometimes referred to as a ‘sibling’) is:

- A brother or sister sharing the same parents.
- A half-brother or half-sister, where two children share one common parent.
- A step-brother or step-sister, where two children are related by a parent’s marriage or partnership. The partners must be co-habited in a permanent exclusive relationship (as if they were husband and wife or civil partners for a minimum of 2 years).
- Adopted or fostered children.
- A brother or sister must be living at the same address when the application is made.

iii. Pupils who live closer to the Nicholas Hawksmoor Primary School than any other school.

iv. Other children.

Tiebreaker

If the admission number is exceeded within criterion (iii) priority will be given to those who live further from the nearest alternative school. If the admission number is exceeded within any other criterion, priority will be given to those who live closest to the school.

The distance used in a ‘tiebreaker’ for any oversubscribed criterion will be a straight line distance from the address point of the child’s home to the address point of the school. Distances will be determined by the Local Authority measured on a straight-line basis using a geographical information system.

Where it is necessary to choose between two or more applicants within a criterion for a final place, the tiebreaker will be distance, with the child who resides the nearest to Nicholas Hawksmoor Primary School being given the place. Where there is more than one applicant at the relevant distance, then the tiebreaker will be random allocation. The random allocation process will be independently supervised.
Northampton International Academy

When the school is oversubscribed and after the admission of pupils with an EHC Plan naming the school as appropriate provision priority, will be given to those children who meet the criteria set out below, in priority order:

1. Looked after children and children who were previously looked after but immediately after being looked after became subject to adoption, a child arrangements order, or special guardianship order. (See page 252 for full definition of looked after children).
2. Siblings of pupils attending the Academy in year groups Reception to year 6. ‘Sibling’ means a natural brother or sister, a half brother or sister, a legally adopted brother or sister or half-brother or sister, a step brother or sister, or other child living in the same household who, in any of these cases, will be living with them at the same address at the dates of their entry to the Academy. (Note that the Academy will open with R cohort only, so sibling places will only become available as the academy grows each year. For example, a Y2 cohort will not exist until 2018, Y3 until 2019 and so on).
3. Pupils who live closer to the Academy than any other school.
4. Other pupils

Tiebreaker

If the published admission number is exceeded within any criterion, priority will be given to those who live closest to the school. Distance will be measured on a ‘straight line’ basis, with distances measured using the NCC’s GIS system.

Oakley Vale Primary School

Following the allocation of places to pupils who have an EHC Plan which names the school as appropriate provision, when there are more applications for places than there are places available, priority will be given in the following order:

1. Children in Care, also known as Looked after Children (LAC), and children who were looked after but ceased to be so by reason of adoption, a child arrangements order or special guardianship order (see page 252 or full definition of a Looked After Child);
2. Children who live in the linked area* and who have a sibling link. (See next page for definition of ‘sibling’);
3. Other children who live in the linked area*;
4. Children of staff where that member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage in the area.
5. Other children who do not live in the linked area* and who have a sibling link. (See below for definition of ‘sibling’);
6. Other children.
**Oakley Vale primary School continued**

* The linked area comprises the Oakley Vale estate. A map is available from the school upon request.

**Distance tiebreaker** - Where there are more applications in any one category, applications will be prioritised on the distance from the child’s home to the address point of the school with priority being given to the children who live closer to the school. (This will be determined by the Local Authority using their standard method as described on page 249). In the case where multiple applications for the same shared dwelling occurs (e.g. Flats), a randomiser will be used to decide the priority in which the pupils within the shared dwelling are selected in the event of a tiebreaker. Independent verification of random allocation will be obtained.

**Home Address** - Where a child lives or their “home address” will be determined at the time of application. The child’s home address is defined as the address at which the child normally resides with their parent/carer.

**Sibling link** - A sibling link will arise where one of the conditions in each of A and B are satisfied.

**Condition A**
- A brother or sister living at the same address, who shares the same parents;
- A half-brother or half-sister living at the same address, where two children share one common parent;
- A step brother or step sister living at the same address, where two children are related by a parent’s marriage;
- Adopted or fostered children living in the same household.

**Condition B** - For the sibling link to apply, one of the siblings must be a registered pupil at the named Academy at the time of application and is expected to remain on roll at the point of admission.

**Additional Sibling Link Information** - Although the definition of “Sibling” does not specify whether the Sibling should be younger or older, it should be noted that for admissions to the primary or secondary phases of education, the sibling link will only be valid where the older sibling is on roll at the academy at the time of application and is expected to be still on roll at the time of admission.

**Old Stratford Primary School**

Following allocation of places to pupils who have an EHC Plan which names the school as appropriate provision, when there are more applications than places available, priority will be given in the following order:

1. Children in public care or previously in public care but immediately after being looked after became subject to an adoption, a child arrangements order or special guardianship order. (See page 252 for full definition of a 'Looked after child')
2. Pupils who live in the linked area for Old Stratford which is defined as Old Stratford village, who have a brother or sister continuing at the school at the time of admission of the child.
3. Other pupils who live in the linked area, which is Old Stratford.
Old Stratford Primary School oversubscription criteria continued
4. Other pupils who do not live in the linked area and who have a brother or sister continuing at the school at the time of admission of the child.
5. Others.

Tiebreaker
If the Admission number is exceeded within any of these criteria priority will be given to those who live closest to the school. Distance will be measured on a ‘straight line’ basis, with distances measured using the NCC’s GIS system.

Our Lady of Walsingham Catholic Primary School

Note: Supplementary information
Once an application has been submitted to Northamptonshire County Council all applicants are required to lodge supplementary information with the school as follows:

1. the applicant’s Baptismal Certificate;
2. a Priest’s Reference Form.

Applicants of other Christian denominations and Faiths must provide a reference from their Minister of Religion. This reference must include details of applicants’ religious practice and family involvement in activities in their place of worship.

A copy of the Priest’s Reference Form is available from the school for Catholic applicants.

Admission Criteria
Children who have an EHC Plan where the school is named, as the most appropriate setting for the child will be admitted. This will reduce the number of places available.

If the number of applications exceeds the admission number, the following oversubscription criteria will be used to allocate places.

Places will be allocated according to the following order of priority:
1. Baptised Catholic ‘looked after’ children or previously ‘looked after’ but immediately after being looked after became subject to an adoption, a child arrangements order or special guardianship order (see page 252 for full definition of a Looked After Child).
2. Looked after children or previously ‘looked after’ but immediately after being looked after became subject to an adoption, child arrangements order or special guardianship order, other than Baptised ‘looked after’ children (see page 252 for full definition).
3. Baptised practising Catholic siblings of children whose siblings will be in attendance at the school at the date of admission of the younger child, as verified by the baptismal certificate and Priest’s reference form.
4. Baptised practising Catholic children, as verified by the baptismal certificate and Priest’s reference form.
5. Baptised non-practising Catholic siblings of children whose siblings will be in attendance at the school at the date of admission of the younger child, as verified by the baptismal certificate.

8. Children of other Christian denominations, as supported by a reference from their Minister of religion.
9. Children of other Faiths, as supported by a reference from their Minister of religion.
10. All other children.

**Tiebreaker** - In the event that any category is over-subscribed priority will be given to applicants in order of geographical proximity to the school (priority being given to the children who live closer to the school). The Governing Body will use Northamptonshire County Council’s GIS computer system to determine the distance between the applicants address and the main school entrance. Distance measurements are carried out using a straight-line basis.

**Sibling - A Brother or sister (sibling) is defined in these arrangements as children who live as brother or sister in the same house, (within a family unit) including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers and sisters. The sibling must be in the school at the time of application and continuing at the school at the proposed date of admission.

Tiebreaker
If the admission number is exceeded within any criterion, bar criterion iii, priority will be given to those who live closest to the school. In criterion iii places will be allocated by random selection. In criterion iii pupils names will be placed in alphabetical order and numbered. These numbers are then put into random order using an electronic randomiser and this will then denote the order these pupils will be allocated within the criterion.

Where two or more children share a priority for a place e.g. where two children live equidistant from the school, these places will be allocated using random selection undertaken by an independent body as described above.

However, if children of multiple births are tied for the final place those siblings will be admitted over PAN as admitted by infant class size rules.

Distances are measured from the address point of your home to the address point of the school on a straight-line basis, using a geographical information system. Each address has a unique address point established by the most valuable elements from the National Land and Property Gazetteer (NPLG), Ordnance Survey Master Map, Royal Mail Postal Address File and The Valuation Office Agency. The address point for a property does not change.

**Sibling
A Brother or sister (sibling) is defined in these arrangements as children who live as brother or sister in the same house, (within a family unit) including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers and sisters. The sibling must be in the school at the time of application and continuing at the school at the proposed date of admission.

5. Proximity of the child’s home address to the school, those living nearer being accorded the higher priority. Measurements will be straight-line distances taken using the Local Authority’s computerised measuring system.

Priors Hall - a learning community Tiebreaker

Where it is necessary to choose between two or more applicants, the tiebreaker will be distance with the child who resides the nearest to the Academy being given the place.

Where there is more than one applicant at the relevant distance, then the tiebreaker will be random allocation. The random allocation process will be independently supervised.

Definition of:

**Catchment Area** - The school’s catchment area is shown on the map available from the school. Where there is a dispute as to whether a particular address is within the Catchment area, the school’s decision shall be final.

**Home address** - The child’s home address is the address of the parent or legal guardian with whom the child spends the majority of the time during the school week (Sunday–Thursday nights). Parents/legal guardians may be asked to produce evidence of residency/home address at any time during the admissions process. The address used must be the home address at the time of application. If a house move is planned the new address may only be used once Exchange of Contracts has taken place or a Tenancy Agreement has been signed.

A half-brother or half-sister, where two children share one common parent.
A step-brother or step-sister, where two children are related by a parent’s marriage or partnership. The partners must be living together in a permanent relationship (as if they were husband and wife or civil partners).

Pytchley Endowed CEVA Primary

Pytchley Endowed CE Primary is an Academy within Peterborough Diocese Education Trust. The Trust is the Admission Authority and has responsibility for setting the Admission Policy, but the policy is administered by the Local Governing Board (LGB). The governors will admit pupils according to the following criteria which are listed in order of priority. The governors will give priority to children with an EHC Plan which names the school. Where there are more applications than there are places available, children will be admitted according to the following criteria, which are listed in order of priority:

1. Looked after children and children who were previously looked after but immediately after being looked after were adopted or became subject to a child arrangements order, or special guardianship order. (See definition page 252).
2. Children living with their parent(s)/legal carer(s) in the ecclesiastical parish of All Saints, Pytchley (see residence definition below and Parish Boundaries information following).
3. Children who have a sibling attending the school at the time of admission (see sibling definition following).
4. Children of worshipping members of any Church that is a member of Churches Together in England, this includes the Church of England (see definition following). These applications must be accompanied by form SIF A available from the school. The completed SIF A will then be sent to the minister with form SIF B to verify church allegiance.
5. Children of parent(s)/legal carer(s) of other faiths, or none, who wish their child to be educated in a church school and Christian environment.

Tiebreaker - If the admission number is exceeded within any criterion, priority will be given to those who live closest to the School. (See page 249 for full details of how distance is measured)

Parish Boundaries - For parish boundaries, please visit the internet site www.achurchnearyou.com put in the postcode, click on where you live and the name of your parish will be shown, or come into school.

- Leased to or rented by the child’s parent(s) or carer(s) under a lease or written rental agreement of not less than 6 months duration. The property leased must be where the family lives.

Children of “worshipping members” - For parents/carers to be worshipping members, at least one of the parents/carers of the child needs to be regarded by the priest/minister/worship leader as being part of the worshipping community at the church/worship centre. This would not necessarily mean that the parent/carer is a “Member” in the technical sense (e.g. through baptism, confirmation or electoral roll) but would imply a
pattern of attendance at worship (on Sunday or at other times) that is more than “occasional” and has been sustained for more than a short, very recent, period of time.

**SIF A/B** - If parents/carers wish their application to be considered in criterion 4, they must complete form SIF/A which is available from the School and return it to the School (not the local authority). This must be done by the deadline of 5pm on 15 January 2019. The School will submit the completed form SIF/A to the relevant minister with form SIF/B to verify the information. As SIF/B needs to be returned to the School in time for the School to rank admissions, it is very important to submit form SIF/A to the School as soon as possible.

St. Gregory’s Catholic Primary School

All applicants must complete the Local Authority application form. Applicants wishing to be considered under the school’s faith and sibling criteria should also complete the Supplementary Information Form and a Reference Form from their Parish Clergy or Religious Leader and return it to the school by 5.00 pm on the 15th January 2019. Although these forms are not mandatory if one is not received the Governors may not be able to fairly apply their admission criteria. In this circumstance the application will be considered under admission criterion 8 “Any other children”.

Children with an EHC Plan in which the school is named will be admitted according to the regulations and the policy of the Local Authority. It is presumed that any parent/guardian applying for a school place is sympathetic to the Catholic ethos of the school.

The Local Governing Academy Committee will give priority to Catholic children. If there are more applications than places available, priority will be given as follows:

1. ‘Looked after Children’ or previously ‘Looked after Children’ who are baptised in the Catholic Faith (see page 252 for full definition of a Looked After Child).
2. Children of staff (see definition on next page).

If the admission number is exceeded within any of these criteria priority will be given to those who live nearest to the school. Distances are measured from their home address to the address point of the school. Measurements are made on a straight-line basis, using a geographical information system in accord with the Local Authority’s admission procedures. The Local Authority’s computerised measuring system will be used in these cases.

Definitions

**Brother or sister** means a brother or sister sharing the same parents, or a half-brother or half-sister where two children share one common parent, or a step-brother or step-sister, where two children are related by a parent’s marriage/partnership, including adopted or fostered children.

A brother or sister must be living at the same address when the application is made.

**Baptised Catholic** means children who have been baptised as Catholics, or have been formally received into the Catholic Church. All applicants seeking admission under this criteria will be asked to provide evidence that the child has been baptised as a Catholic or has been received into the Catholic Church. “**Known and Practising Member of the Congregation**” means the family of the child is regarded by the priest/minister/worship leader as part of the worshipping community of the church/worship centre. This would not necessarily mean that the parent is a ‘Member’ in a technical sense (e.g. through baptism, confirmation or electoral roll) but would imply a pattern of attendance at worship (on Sunday or at other times) that is more than ‘occasional’ and has been sustained for more than a six months in the year prior to the date of signature.

**Practising Catholic** means that one parent or grandparent attends Mass on days of obligation, unless excused for a serious reason (for example, illness, the care of infants) or dispensed by their own pastor. Evidence of this commitment must be provided by their Parish Clergy where the family normally worship.

Maps of the Area
Maps showing the ecclesiastical parishes of Northampton St. James and St. Mary’s Dallington and the borough of Northampton are available to view at the school.

Home Address
The home address of a pupil is considered to be the permanent residence of the child in a residential property when the place is offered. The address must be the child’s only or main residence and is either:

- Owned by the child’s parent, parents or guardian;
- Leased to or rented by the child’s parent, parents or guardian under lease or written rental agreement of not less than six months’ duration.

Documentary evidence of ownership or rental agreement may be required together with proof of actual permanent residence at the property concerned. Places cannot be allocated on the basis of intended future changes of address unless house moves have been confirmed through the exchange of contracts or the signing of a formal lease agreement. The school reserves the right to seek further documentary evidence to support your claim to residence. Parents and Guardians must notify the school of any change of address during the admissions procedure. Please note that the school is unable to allocate a place to anyone moving into the country from abroad or within the U.K. prior to their arrival in the country. The school would then require proof of residency as stated above. The only exceptions are children of UK service personnel and other Crown Servants (including Diplomats).

Sibling - Pupils who will have a brother or sister continuing on the school roll at the date of starting at the school. The definition of a brother or sister (sometimes referred to as a “sibling”) is:

- A brother or sister sharing the same parents.

- A step-brother or step-sister, where two children are related by a parent’s marriage or partnership. The partners must have co-habited in a permanent exclusive relationship (as if they were husband and wife or civil partners) for a minimum of 2 years.
- Adopted children.

A brother or sister must be living at the SAME address when the application is made.

Worshipping Member - At least one of the parents or guardians of the child is regarded by the priest/minister/worship leader as part of the worshipping community at the church/worship centre. This does not necessarily mean that the parent is a “Member” in a technical sense (e.g. through baptism, confirmation or electoral roll) but attendance at worship (on Sunday or at other times) is more than “occasional” and has been sustained for more than a short, very recent period of time.

5. Children who have a sibling who will be continuing to attend the school at the time of admission (see sibling definition).

7. Children of a parent(s)/legal guardian(s) of other faiths or none, who wish their child to be educated in a Church school and Christian environment.

Tiebreaker - Where there are more applications in any one category, applications will be prioritised on the distance from the address point of the child’s home to the address point of the school (priority being given to the children who live closer to the school). This will be determined on a straight-line basis using a geographical information system.

Parish Boundaries – For Parish boundaries, please contact the school or visit the internet site www.achurchnearyou.com, put in your postcode, click on where you live and the name of your parish will be shown.

Residency Definition - The child’s place of residence is the address of the parent or legal guardian with whom the child spends the majority of time during the school week. Parents/legal guardians may be asked to produce evidence of residency/home address at any time during the admissions process.
Worshipping Member - At least one of the parents or guardians of the child is regarded by the priest/minister/worship leader as part of the worshipping community at the church/worship centre. St. Luke’s CEVA Primary School

St Luke’s C.E. Primary School is an Academy within Peterborough Diocese Education Trust. The Trust is the Admission Authority and has responsibility for setting the Admission Policy, but the policy is administered by the Local Governing Board (LGB). The LGB will admit children with an Education, Health and Care Plan (EHC Plan) which names the School. Where there are more applications than there are places available, children will be admitted according to the following criteria, which are listed in order of priority:

1. Looked after children and children who were previously looked after but immediately after being looked after were adopted or became subject to a child arrangements order, or special guardianship order. (See definition page 252).

2. The Governors will admit children on social or medical grounds, where professionals have clearly identified that the School will best meet the needs of the child (see below). (These applications must be accompanied by documentary evidence from appropriate professionals within the Health or Social services.)

3. Children with a sibling attending the School at the time of admission. (See sibling definition following)

4. Children of parents/carers resident in the ecclesiastical Parish of Duston with Upton (see information on Parish Boundaries definition) who can demonstrate that they are worshipping members (see definition) of a church affiliated to Churches Together in England (www.cte.org.uk) These applications must be accompanied by Form SIF/A (See SIF A/B definition).

5. Children of parents/carers resident in the ecclesiastical Parish of Duston with Upton (See residence definition)

6. Children of parents/carers resident in the Borough of Northampton, who can demonstrate that they are worshipping members (see definition) of a Church affiliated to Churches Together in England. (See SIF A definition)

7. Children of parents/carers of any faith or none, in the Borough of Northampton.

8. Other children.

Tiebreaker

If the admission number is exceeded within any criterion, priority will be given to those who live closest to the School. Distances are measured on a straight line basis from the address point of the child’s home to the address point of the School, using a geographical information system. (See page 249 for full details of how distance is measured)

Parish Boundaries - For Parish boundaries, please visit www.achurchnearyou.com, enter your postcode, click on where you live and the name of your parish will be shown.

* Social/Medical need. Definition/evidence required - If you believe that your child has exceptional medical or social needs you will need to provide evidence of this from an appropriate professional. The needs must relate to your child and the evidence must detail how the needs of your child can only be met at your preferred school. This can be sent in a sealed envelope if you prefer. If accompanied by a professional’s letter, they MUST demonstrate in their judgement why St. Luke’s CEVA Primary School can meet your child’s needs, and also demonstrate why other local schools cannot meet your child’s needs. It is not sufficient for a professional to say in their judgement only St. Luke’s CEVA Primary School can meet your child’s needs, they must state why schools B or C cannot meet the needs. St. Luke’s CEVA Primary School’s Admission Committee will study the evidence and decide if the school can meet the child’s needs.

Definition of child’s home address/residence - The child’s home address means the permanent residence of the child at the time of application. Parents/carers may be asked to provide proof of a claim of residence at any time during the admission process. The address must be the child’s only or main residence that is either:

☐ Owned by the child’s parent(s) or carer(s);
☐ Leased to or rented by the child’s parent(s) or carer(s) under a lease or written rental agreement of not less than 6 months duration. The property leased must be where the family lives.

Children of “worshipping members” - For parents/carers to be worshipping members, at least one of the parents/carers of the child needs to be regarded by the priest/minister/worship leader as being part of the worshipping community at the church/worship centre. This would not necessarily mean that the parent/carer is a “Member” in the technical sense (e.g. through baptism, confirmation or electoral roll) but would imply a pattern of attendance at worship (on Sunday or at other times) that is more than “occasional” and has been sustained for more than a short, very recent, period of time.

SIF A/B Definition - If parents/carers wish their application to be considered in criterion 4 and 6, they must complete form SIF/A which is available from the School and return it to the School (not the local authority). This must be done by the deadline of 5pm on 15 January 2019. The School will submit the completed form SIF/A to the relevant minister with form
SIF/B to verify the information. As SIF/B needs to be returned to the School in time for the School to rank admissions, it is very important to submit form SIF/A to the School as soon as possible.

**Definition of Sibling** - A brother or sister living at the same address as the applicant (i.e. within a family unit) including:
- a brother or sister sharing the same parents;
- a half-brother or half-sister where two children share one common parent;
- a step brother or step sister, where two children are related by a parents’ marriage/civil partnership;
- A child who has been adopted or is fostered by parents/carers who have other children.

8. Children living in the local authority parish of Aston le Walls.

**Tiebreaker**

Where there is a tie for places within one category, applications will be determined by the proximity of the child’s home to the school, with children living nearer the school being given priority. Distance will be measured in a straight line, using the Local Authority’s computerised mapping system, from the address point of the pupil’s home to the address point of the school.

**St. Mary’s Catholic Primary School (Northampton)**

St. Mary’s Catholic Primary school is part of St. Thomas of Canterbury Catholic Academies Trust. It is situated in the town of Northampton within the Diocese of Northampton. The school exists to serve the Catholic Communities in Northampton. The Trust Board is responsible for determining and administering the policy relating to the admissions of pupils to the four schools in the academy. It is guided in that responsibility by the requirements of the law, by the advice of the Diocesan Trustees and in its duty to the school and the Catholic community. The Trust Board has delegated responsibility for determining admissions to the admissions panel of the Local Governing School Committee.

Applicants wishing to be considered under the school’s faith and sibling criteria should also complete the Supplementary Information Form and a Reference Form from their Parish Clergy or Religious Leader and return it to the school by 5.00 pm on the 15th January 2019. Although these forms are not mandatory if one is not received the Governors may not be able to fairly apply their admission criteria. In this circumstance the application will be considered under admission criterion 8 “Any other children”.

Note the submission of the form does not reserve a place at the school.

**St. Mary's Catholic Primary School Criteria for Admission**

Children with an EHC Plan in which the school is named will be admitted according to the regulations and the policy of the Local Authority.

It is presumed that any parent/guardian applying for a school place is sympathetic to the Catholic ethos of the school.

8. All other children whose parents or guardians wish their child to receive a Christian education.

If the admission number is exceeded within any of these criteria priority will be given to those who live nearest to the school. Distances are measured from their home address to the school address point. Measurements are made on a straight-line basis, using a geographical information system in accord with the Local Authority’s admission procedures. Residency Definition
The child’s place of residence is the address of the parent or legal guardian with whom the child spends the majority of time during the school week. (Parent(s)/legal guardian(s) may be asked to produce evidence of residency/home address at any time during the admissions process.)

Definition of Siblings

Guidance on “Worshipping Member”
At least one of the parents or guardians of the child is regarded by the priest / minister / worship leader as part of the worshipping community at the church / worship centre. St. Patrick’s Catholic Primary School

Applicants wishing to be considered under the school’s faith criteria must also complete and submit the Supplementary Information Form and a Reference Form from their Parish Priest or Religious Leader and return both and any other required documentation to the school by the closing date specified. Forms are available from the school office and our school website www.stpatricksprimaryschool.com.

Completion of a Supplementary and Priests/Religious Leader’s Reference form is not mandatory; however, if one is not received the Governors will not be able to apply their admission criteria.

Oversubscription Criteria

In the case of oversubscription, after the admission of pupils with an EHC Plan children will be admitted according to the following criteria.

This will be measured by the council’s computerised geographical information system, which is consistent for all applicants. The distance from the child’s main home to school is measured from a point at the centre of the property, which is determined by data supplied by Ordnance Survey, to the address point of the school “as the crow flies in a straight line”. (The child’s main home address is defined as the address where the child benefit is paid to).

Notes and Definitions

Distance Measurements

Distances are measured on a straight line basis from the address point of the child’s home to the address point of the School, using a geographical information system. Each address has a unique address point established by the most valuable elements from the National Land and Property Gazetteer (NPLG), Ordnance Survey Master Map, Royal Mail Postal Address File and The Valuation Office Agency. The address point for a property does not change.

Village Boundaries

Maps are held in school to show the areas covered in the villages of Stanion and Little Oakley or by visiting the website, www.achurchnearyou.com
Stanion CEVA Primary School definitions continued

**Definition of child’s home address/residence** - The child’s home address means the permanent residence of the child at the time of application. Parents/carers may be asked to provide proof of a claim of residence at any time during the admission process.

The address must be the child’s only or main residence that is either:

- Owned by the child’s parent(s) or carer(s);
- Leased to or rented by the child’s parent(s) or carer(s) under a lease or written rental agreement of not less than 6 months duration. The property leased must be where the family lives.

**Please note** – if false or misleading information is used to try and gain a place, this may lead the Governing Body to reject the application or to withdraw the offer of a place.

**Definition of Siblings** - A brother or sister living at the same address as the applicant (i.e. within a family unit) including:

- a brother or sister sharing the same parents;
- a half-brother or half-sister where two children share one common parent;
- a step-brother or step sister, where two children are related by a parent’s marriage;
- a child who has been adopted or is fostered by parents/carers who have other children.

**Children of “worshipping members”**

For parents/carers to be worshipping members, at least one of the parents/carers of the child needs to be regarded by the priest/minister/worship leader as being part of the worshipping community at the church/worship centre. This would not necessarily mean that the parent/carer is a “Member” in the technical sense (e.g. through baptism, confirmation or electoral roll) but would imply a pattern of attendance at worship (on Sunday or at other times) that is more than “occasional” and has been sustained for more than a short, very recent, period of time.

Definition of siblings - Sibling is defined as children who live as brother or sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers and sisters or another child normally living for the majority of term time in the same household, where an adult in the household has parental responsibility as defined by the Children Act 1989, or any child in the household where an adult in the household is defined as a parent for the purposes of Section 576 of the Education Act 1996. This could include a person who is not a parent but who has responsibility for him/her.

Home address - The child’s place of residence is taken to be the parental home, other than in the case of children fostered by a Local Authority, where either the parental address or the foster parent(s) address may be used. Where a child spends part of the week in different homes, their place of residence will be taken to be their parent or parents’ address. If a child’s parents live at separate addresses, the address where the child permanently spends at least three ‘school’ nights (i.e. Sunday, Monday, Tuesday, Wednesday or Thursday) will be taken to be the place of residence. Evidence that a child’s place of residence is permanent may also be sought.
If a child spends equal amounts of time at the two addresses, the parents must agree which address they wish to be the child’s main address.
Where parents share custody of their child but cannot agree on either the home address or school preferences, the Academy will only consider the application of the parent who receives Child Benefit for the child.

Definition of Worshipping Member

At least one of the parents or guardians of the child is regarded by the priest/minister/worship leader as part of the worshipping community at the church/worship centre. This would not necessarily mean that the parent is a “Member” in a technical sense (e.g. through baptism, confirmation or electoral roll) but would imply a pattern of attendance at worship (on Sunday or at other times) that is more than “occasional” and has been sustained for more than a short, very recent period of time.

The Bliss Charity School Definitions

**Medical or social definition** - The Governors will admit pupils on medical or social grounds, where professionals have clearly identified that the school will best meet the needs of the pupils. These applications should be accompanied by documentary evidence from appropriate professionals within the Health or Social Care services. In each case there must be a clear connection between the child’s need and The Bliss Charity School, and an explanation of the difficulties that would be caused if the child were to attend another school. This information will be considered within the School’s own admission team and will be treated confidentially.

**Home address** - When we refer to a child’s home address, we mean the permanent residence of the child. This address must be the child’s only or main residence that is either:
- Owned by the child’s parent, parents or carer/guardian.

This includes all roads leading from main roads directly feeding off Deeble Road. (All houses within this defined area);

e) Other children.

**Tiebreaker**

If the admission number is exceeded within any criterion, priority will be given to those children who live nearest to the school. Measurements are carried out on a straight-line basis from the child’s home to the address point of the school. In the case where multiple applications for the same shared dwelling occurs (e.g. Flats), a randomiser will be used to decide the priority in which the pupils within the shared dwelling are selected in the event of a tiebreaker. Independent verification of the random allocation process will be obtained.

In this circumstance the application will be considered under admission criterion 8 “All other children”.

Children with an EHC Plan in which the school is named will be admitted according to the regulations and the policy of the Local Authority. Measurements are made on a straight-line basis, using a geographical information system in accord with the Local Authority’s admission procedures. The Local Authority’s computerised measuring system will be used in these cases. In the event that the distance criteria results in two or more applicants being equally distant from the school the final space will be allocated in accordance with Local Authority Practice.

* Social/Medical need. Definition/evidence required - If you believe that your child has exceptional medical or social needs you will need to provide evidence of this from an appropriate professional. The needs must relate to your child and the evidence must detail how the needs of your child can only be met at your preferred school. This can be sent in a sealed envelope if you prefer. If accompanied by a professional’s letter, they MUST demonstrate in their judgement why Weston Favell CE Primary School can meet your child’s needs, and also demonstrate why other local schools cannot meet your child’s needs. It is not sufficient for a professional to say in their judgement only Weston Favell CE Primary can meet your child’s needs, they must state why schools B or C cannot meet the needs. The evidence is considered by the Admission Panel of Governors.

Definition of child’s place of residence - The child’s place of residence is the address of the parent or legal guardian with whom the child spends the majority of time during the school week (parent(s)/legal guardian(s) may be asked to produce evidence of residency/home address at any time during the admissions process).

in a technical sense (e.g. through baptism, confirmation or electoral roll) but would imply a pattern of attendance at worship (on Sunday or at other times) that is more than ‘occasional’ and has been sustained for more than a short, very recent period of time.

**Parish Boundaries** - A map showing the parish boundary St. Peter’s, Weston Favell is available to view at the school and also online at [www.achurchnearyou.com](http://www.achurchnearyou.com)

8 Children of parent(s)/carer(s) of other faiths, or none, who wish their child to be educated in a church school and Christian environment.

**Tie Breaker**
If the admission number is exceeded within any criterion, priority will be given to those who live closest to the School. (As to how this distance is measured – see Distance Measurements below).

**Notes**

**Distance Measurements** - Distances are measured on a straight line basis from the address point of the child’s home to the address point of the School, using a geographical information system. Each address has a unique address point established by the most valuable elements from the National Land and Property Gazetteer (NPLG), Ordnance Survey Master Map, Royal Mail Postal Address File and The Valuation Office Agency. The address point for a property does not change.

In the case where there are multiple applications from the same shared dwelling (e.g. Flats) or where there are two homes where the distance from the address point of the home to the address point of the School (using the system referred to above) is identical, random allocation, supervised by a suitable independent person, will be used to decide the priority in which applicants are selected in the event of a tiebreaker.
Definition of child’s home address/residence - The child’s home address means the permanent residence of the child at the time of application. Parents/carers may be asked to provide proof of a claim of residence at any time during the admission process.

The address must be the child’s only or main residence that is either:
- Owned by the child’s parent(s) or carer(s);
- Leased to or rented by the child’s parent(s) or carer(s) under a lease or written rental agreement of not less than 6 months duration. The property leased must be where the family lives.

Wilby CEVA Primary School - Children of “worshipping members” - For parents/carers to be worshipping members, at least one of the parents/carers of the child needs to be regarded by the priest/minister/worship leader as being part of the worshipping community at the church/worship centre. This would not necessarily mean that the parent/carer is a “Member” in the technical sense (e.g. through baptism, confirmation or electoral roll) but would imply a pattern of attendance at worship (on Sunday or at other times) that is more than “occasional” and has been sustained for more than a short, very recent, period of time.

SIF A/B - If parents/carers wish their application to be considered in criterion 3, 6 and 7, they must complete form SIF/A which is available from the School and return it to the School (not the local authority). This must be done by the deadline of 5pm on 15 January 2019. The School will submit the completed form SIF/A to the relevant minister with form SIF/B to verify the information. As SIF/B needs to be returned to the School in time for the School to rank admissions, it is very important to submit form SIF/A to the School as soon as possible.

Definition of Sibling - A brother or sister living at the same address as the applicant (i.e. within a family unit) including:
- a brother or sister sharing the same parents;
- a half-brother or half-sister where two children share one common parent;
- a step brother or step sister, where two children are related by a parents’ marriage/civil partnership;
- a child who has been adopted or is fostered by parents/carers who have other children.

Please note – if false or misleading information is used to try and gain a school place, this may lead the Governing Body to reject the application or to withdraw the offer of a place.

The Linked Areas:
*Grange Park* is defined by the development east of Saxon Avenue bounded by the M1 to the south, Quinton Road to the east and Bridge Meadow Way/Little Field and Lark Lane to the north.
Wootton and Wootton Fields on next page.

5. Proximity of the child’s home address to the school, those living nearer being accorded the higher priority. Measurements will be straight-line distances taken using the Local Authority’s computerised measuring system.

Tiebreaker - Where it is necessary to choose between two or more applicants, the tiebreaker will be distance with the child who resides the nearest to the Academy being given the place. Where there is more than one applicant at the relevant distance, then the tiebreaker will be random allocation. The random allocation process will be independently supervised.

Catchment Area - The Academy’s catchment area is shown on the map available from the Academy. Where there is a dispute as to whether a particular address is within the Catchment area, the school’s decision shall be final.

Home address - The child’s home address is the address of the parent or legal guardian with whom the child spends the majority of the time during the school week (Sunday – Thursday nights). Parents/legal guardians may be asked to produce evidence of
residency/home address at any time during the admissions process. The address used must be the home address at the time of application. If a house move is planned the new address may only be used once Exchange of Contracts has taken place or a Tenancy Agreement has been signed.

**Sibling** - A brother or sister sharing the same parents.
A half-brother or half-sister, where two children share one common parent.

4. Children by distance from the school: Reserved percentage.

To fulfil the school’s role as a community school, after places have been filled under the first three criteria, up to 60% of any remaining places will be offered to those children who live nearest to the school. Distances are measured from the address point of the home address to the address point of the school on a straight line basis.

5. After places have been allocated under the first four criteria, remaining places will be offered to other children. Where the number of applicants in this category exceeds the number of places, offers will be determined by random allocation.

**Tie Break**

If the admission number is exceeded within 1-4, priority will be given to those children who live closest to the school. Distances are measured from the address point of the home address to the address point of the school on a straight line basis. Should two distances be the same, a process of random allocation will be used.

**Definition of Home Address**
Home address means the permanent residence of the child at the 31st October in the year prior to admission. Where time is spent between two addresses the home address is the address the child normally lives, sleeps and goes to school from on the majority of school nights (Sunday – Thursday.) Proof of residence can be requested at any time. Where a child lives on a boat, distance will be measured from the authorised mooring point. If the family is itinerant, the mooring point will be that used on the closing date for the receipt of applications.

Section 4 – Additional information

This section contains additional information that may help you with the process of applying for a primary school place in Northamptonshire for the school year that begins in September 2019.

We have grouped information under the following headings:

- Glossary
- Index of towns and villages and their linked rural schools
- Information for people who do not speak or read English

Glossary

This list explains the meaning of some of the terms used in this booklet.

Please note that some definitions may differ slightly for individual schools who are their own admissions authority e.g. Academies etc. See definitions in individual criteria for these schools.

Admission Authority

This is the body responsible for deciding a school’s admission arrangements.

- Northamptonshire County Council is responsible for Community and Voluntary Controlled schools.
- The Governing Body is responsible for Voluntary Aided, Foundation and Free Schools.
- The Academy Trust is responsible for Academy schools.

Admission number or Published Admission Number (PAN)

The number of pupils that can be allocated to each year as agreed with the Admissions Authority.

Age range

This means the ages of children who attend the school e.g. primary school age range is 4–11 years of age.

Appeal Panel

This is an independent panel which hears appeals relating to school admissions decisions.
Children in public care or previously in public care (see Looked After Children on page 252)

Closest school
A number of schools have an admission criterion of ‘Pupils who live closer to the preferred school than any other school’. Please note that ‘Faith Schools’ are not included when determining a child’s closest school.

Community schools
The local authority (Northamptonshire County Council) is responsible for the admission arrangements at these schools.

Coordination/Coordinated Scheme
The process by which local authorities coordinate the distribution of offers of places for schools in their area. All local authorities are required to coordinate the normal admissions round for primary and secondary schools in their area.

Department for Education (DfE)
This is the government department responsible for education.

DfE number
These are unique numbers which are allocated to (a). All local authorities (the DfE number for Northamptonshire LA is 928) and (b). Individual schools – each school has a four digit DfE number which provides a unique point of identification (see pages 36-113).

Distance tiebreaker and measurements
This is the process we use if more than one child has an equal right to a place after applying the school’s oversubscription admission criteria. Unless otherwise stated, distances are measured from the address point of your home to the address point of the school on a straight line basis, using a geographical information system. Each address has a unique address point established by the most valuable elements from the National Land and Property Gazetteer (NPLG), Ordnance Survey Master Map, Royal Mail Postal Address File and The Valuation Office Agency. The address point for a property does not change.

In the case where multiple applications for the same shared dwelling (e.g. Flats) occurs; a randomiser will be used to decide the priority in which the pupils within the shared dwelling are selected in the event of a tiebreaker.

In the groups oversubscription admission criteria (criteria which apply to a number of schools), two types of distance rankings are used. Group A ranks children according to distance simply using ‘closest to the school’. In Group B, the criterion within which the PAN is reached determines the type of distance ranking used.

Type of distance measurement used to rank children when schools are oversubscribed:
• **Children who live closest to the school**

Applicants are ranked according to the distance of the home address to the school. Priority is given to those living closest to the school.

• **Children who live furthest from their nearest alternative school**

An alternative school is one at which a place could have been allocated as an alternative to the preferred school.

(Single sex schools and schools which allocate places on the basis of religious allegiance are not regarded as alternative schools).

The nearest alternative school does not have to be one of the stated preferences and may be different for each child depending on where they live.

Where the school’s PAN is reached in a criterion, all the children in that criterion are ranked according to the distance they live from their nearest alternative school. Priority is given to those who live furthest from the nearest alternative school.

This way of ranking children – furthest from the nearest alternative school – is used to ensure that the majority of children have a reasonable distance to travel to school.

**Please note:** Late applications are measured to the nearest alternative school regardless of whether or not there are places remaining at that alternative school to ensure consistency in the allocation process.

**Education, Health and Care (EHC) Plan**

Children who have an Education, Health and Care (EHC) Plan which names a school as the appropriate provision which names a school as the appropriate provision, are given the highest priority when school places are allocated.

**Equal Preferencing**

Admission authorities must consider all pupils stating a preference for a school regardless of whether it is their first, second or third preference. Further explanation on equal preferencing can be found on pages 9-10.

**Faith schools**

These schools can be Voluntary Aided Schools, Free schools, Academies etc., but are associated with a particular religion. Faith schools are mostly run like other state schools. They have to follow the National Curriculum except for religious studies, where they are free to only teach about their own religion. The admissions criteria and staffing policies may be different too, although anyone can apply for a place.

**Please Note:** Faith Schools are not included when determining a child’s closest school.
Geographical Information System (GIS)
This is the computer system the local authority uses to decide distances from home to school addresses (in this booklet, it is generally referred to as NCC’s GIS). All distance measurements are done on a straight-line basis from the child’s home address point to the address point of the school unless the school states otherwise.

(Child’s) Home address
The permanent residence of the child at closing date (see pages 13-14).

Infant class size
The law requires that the size of an infant class (i.e. Reception, Year 1 or Year 2) is limited to 30 pupils per school teacher.

In-year applications
This is any application for a school place during the school year and/or an application for admission to a school at the start of the school year for any age group other than the normal year of entry.

Late application
This is any application form we receive after the closing date – after 5pm on Monday 15th January 2019. (see page 19 for full details of processing of late applications). Late applications will not receive an offer of a school place on National Offer day but will be processed in the next round of allocations (see page 4 for details of additional rounds of allocations).

Linked area
In many rural areas of the county, defined areas are ‘linked’ to designated schools. This means that some priority is given in the designated school’s admission criteria to children who live in the linked areas. Please see pages 254-267 for the index of towns and villages and their linked rural schools.

Please note that living in a village which may be linked to a school in their admission criteria does not, on its own, mean that free transport will be provided by the Council.

Linked school
There are some infant schools which are linked to certain junior schools. Attendance at a linked infant school does not guarantee a place at the junior school, but it is one of the priorities used in the admission policy when determining the allocation of places if the school is oversubscribed.

Local Authority (LA)
This is your local council, which has responsibility for schools and education in your local area.
Looked After Children (LAC) and Previously Looked After Children (PLAC)
Also known as children in public care

Looked after children are children who are (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22 (1) of the Children Act 1989) at the time of application to a school.

Previously looked after children (PLAC) are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order).

All LAC and previously LAC are given the highest priority in all schools oversubscription criteria.

Oversubscription admission criteria
This refers to the published criteria that an admission authority applies, when a school has more applications than places available, in order to decide which children will be allocated a place.

Parent
This refers to both individual parents as well as those with parental responsibility for a child, e.g. carers/guardians.

Preferences
These are the names of the three schools, in order of preference, that you would like your child to be considered for.

Application form (Common Application Form, CAF)
This is the form provided by the Local Authority which enables parents to express their preferences for a place at any state funded school, with a maximum of 3 preferences in rank order, allowing them to give reasons for their preferences.

Public Care
See Looked After Children (LAC).

School year
The period beginning with the first school term to begin after July and ending with the beginning of the first such term to begin after the following July, as defined by Section 579 of the Education Act 1996.
**Siblings**

A brother or sister living at the same address as the applicant (within a family unit) including adopted children, step-brothers, step-sisters and children in foster care.

**Sibling Link**

Some schools give priority to children whose brother(s) or sister(s) are already on roll at a preferred school. This is called a sibling link. The sibling must be in the school at the time of application and be likely to remain in the school at the proposed date of admission. If an older sibling secures a place at the school after an application has been submitted for the younger child, then the parent/carer should advise the School Admissions Team that a sibling link now exists.

If siblings live between two addresses, applicants must provide proof to show that the main address is the same for both children.

**Statements of Special Educational Needs (SEN)**

If reference is made to ‘pupils who have a Statement of Special Educational Needs’, this means pupils with Education, Health and Care (EHC) Plans. See definition in Education, Health and Care (EHC) Plan page 250.

**Supplementary Information Form (SIF)**

This is an additional form which some schools require to be completed before they are able to allocate school places. The completed SIF must be sent directly to the school.

**Tiebreaker**

A tiebreaker is required to decide who will be allocated a school place where there are more children in any criterion than there are places available. Commonly used tiebreakers are ‘distance’ tiebreakers and ‘random allocation’ tiebreakers.

**Transfer applications at normal transfer time in Northamptonshire**

This is any application for a child to start school at the normal point of entry at the beginning of the school year in September, as illustrated below:

- Primary School  Reception
- Infant School  Reception
- Junior School  Year 3
- Secondary School  Year 7
- UTC  Year 10

**Waiting lists**

A list of children held and maintained by the admission authority when the school has allocated all of its places, on which children are ranked in priority order against the school’s published oversubscription criteria.
Index of rural towns and villages and their closest or linked schools

Please note that the fact that a village may be linked in a school’s admission criteria does not, necessarily mean that free transport will be provided by the Council.
