

Consultation details

About the consultation

What is the consultation title?	Body Worn Video Cameras for Parking Enforcement Officers
What is this consultation about?	<p>The proposed introduction of Body Worn Video Cameras for the Parking Enforcement Contractor's Civil Enforcement Officers. The proposed commencement date is 1 April 2018 when the new parking enforcement contract starts.</p> <p>Responses received from this consultation will be used to finalise the Equality Impact Assessment document prior to any decision to implement Body Worn Video Cameras. Body Worn Video Cameras are a proportionate response to help protect Civil Enforcement Officers by reducing the risk of verbal or physical assaults while carrying out their duties.</p> <p>Body Worn Video Cameras provide an auditable record of incidents and may also be used to investigate complaints against parking enforcement staff.</p> <p>This consultation is: open to all stakeholders or interested parties whether they have a direct interest in parking issues or not; to identify any concerns, questions, support or objection to the proposal; and to ensure any decision to implement the proposal takes into account the responses received.</p>
