

# **Early Years Single Funding Formula 2019 – 2020 Consultation**

Northamptonshire County Council is consulting and seeking the views of providers of early years education on the Early Years Single Funding Formula (EYSFF) for 2019 to 2020. The Education Skills and Funding Agency (ESFA) guidance requires the Council to consult with early years providers from all sectors (Private, Voluntary, Maintained and Independent) and Schools Forum where changes in EYSFF factors are proposed.

The Council is currently reviewing the EYSFF and the use of Supplements for 2019-2020 and welcomes views and comments from providers.

## **How to have your say**

There is an [online questionnaire](#) for providers to complete.

The feedback from the consultation will be collated and considered by the Council in any changes that may be made, and will be included in a report for the Schools Forum meeting in January 2019, in order for early years providers to be able to prepare for the next financial year.

The Consultation closes on 27th December 2018 at 5pm
