Consultation overview:

Great Creaton Primary School has been consistently undersubscribed for a number of years and the number of pupils on roll has reduced steadily for some time. There are currently 29 pupils on roll at the school, 10 of whom form part of the school’s Year 6 cohort and will be leaving the school at the end of the 2017/2018 academic year. In addition to this, only seven of the pupils attending the school reside in the school’s linked area of Creaton.

The small number of pupils on roll at the school has presented the school with a number of challenges (see below) which, in addition to the fact that the school can no longer be considered to be primarily serving the community it is intended to i.e. the village of Creaton, resulted in the Headteacher and Chair of Governors questioning the long term viability of the school.

Northamptonshire County Council is now seeking the views of relevant stakeholders to see how the possible closure of Great Creaton Primary School is viewed.
How to take part:
Consultation will be carried out via several methods as listed below;
- A public meeting for all stakeholders at Great Creaton Primary School on 19th April 2018

- Via email Schoolconsultation@northamptonshire.gov.uk
