What is the consultation title?*

What is this consultation about?*

Northamptonshire Heritage Strategy

Northamptonshire County Council, along with its heritage partners, has produced a Heritage Strategy that outlines how important heritage is for Northamptonshire.

The strategy proposes joint working across heritage partners to ensure that heritage is cared for and made accessible, especially for learning and education. It also highlights how heritage can contribute to the county's tourism offer.

The overarching objectives are supported by an action plan, aimed at bringing together information about key heritage initiatives across the county.

We want to know your views on the Strategy.
