Please fill this form to provide details of an upcoming consultation that is in your service. All fields marked with an asterisk * are mandatory.

**About the consultation**

What is the consultation title?*
What is this consultation about?*

Superfast Northamptonshire - State Aid
The Superfast Northamptonshire project is helping to deliver the ambitious target set by Northamptonshire County Council to see superfast broadband available countywide by the end of 2017.

As part of this process, this consultation seeks views from interested stakeholders (specifically, broadband infrastructure providers, internet service providers, the general public and businesses) on the proposed 'Intervention Area' for the investment of public funds to extend Next Generation Access. Next Generation Access (NGA) networks are wired networks which are capable of delivering broadband services with higher speeds, as compared to those provided over already existing copper networks.

To do this, the county council will need to identify and address 'White areas': areas of the county where a superfast broadband service does not exist and where there is no coverage planned.

As part of the background work informing this consultation, the county council also recently completed an Open Market Review whereby telecoms providers were invited to confirm their existing and planned NGA commercial coverage. This information has been aggregated as described in the public consultation and shown on the Basic Broadband and NGA maps (please use the links at the bottom of this page for further information about this process and/or to see the maps).

**Consultation dates**

Start date* 16 May 2016
End date* 30 Jun 2016
Results expected by? Please leave a reasonable amount of time after your consultation has concluded.*

All fields marked with an asterisk * are mandatory.

Area

What area of the county does this consultation affect? *

☐ Corby
☐ Daventry
☐ East Northamptonshire
☐ Kettering
☐ Northampton
☑ Northamptonshire Countywide

All fields marked with an asterisk * are mandatory.
How can I take part? How can people engage? Please add any links to previous consultations and relevant consultation documents*

For a more detailed overview of this consultation, please click on the first link below, which directs consultees to the Superfast Northamptonshire webpage.

Individuals wishing to respond to this consultation, should use the second link to access the Superfast Northamptonshire consultation document (PDF format). Section 7 (page 9) provides guidance on how, and where to respond to this consultation.

All responses to the public consultation will be carefully considered and, where appropriate, will be incorporated into the final maps showing broadband coverage across the county. These final coverage maps and a summary report confirming details of any changes made will be published on the Superfast Northamptonshire website.

Who can I talk to about this consultation?

First name  
Ross

Last name  
Griffin
