

Please fill this form to provide details of an upcoming consultation that is in your service.

All fields marked with an asterisk * are mandatory.

About the consultation

What is the consultation title?*

Universal Public Health Services for 0-19 year olds Consultation

What is this consultation about?*

We want every child to have the best start in life and every young person to achieve their full potential through supporting them to make healthier life choices. To help make this happen we want to bring the following four services together so we have one universal Public Health Nursing Service supporting children, young people and families of Northamptonshire. We believe this will give families a service which best meets their needs both now, and in the future.

- Health visiting service who care for families antenatally and up until children start at school
- School nursing service which offers support to children and young people up to 19 years (25 years to those with a disability and in education)
- Specialist breastfeeding support service which provides intensive support to mothers experiencing breastfeeding difficulties
- Family Nurse Partnership licensed programme which provides support to younger first time mothers up to the age of 19 years

Northamptonshire County Council would like to know your views about future changes we want to make to the health services we commission (buy) from Northamptonshire Healthcare NHS foundation Trust (NHFT), for children and young people aged between 0 to 19 years old and their families.

Please see the below guidance document for further information about the current service and how it may change.

Consultation dates

Start date*

27 Apr 2016

End date*

12 Jun 2016

Results expected by? Please leave a reasonable amount of time after your consultation has concluded.*

24 Jun 2016
