Proposal to increase the permanent capacity of All Saints CEVA Primary School, Wellingborough

What were the results?*

Following a statutory period of representation between 10th November and 8th December 2016, two responses were received. Both of these discussed the potentially adverse impacts they felt the expansion might have on other schools in the surrounding area.

An NCC Cabinet Member Decision of 10th January 2017 formally agreed the proposed increase to the published admissions number (PAN) for All Saints Church of England Voluntary Aided Primary School, from 30 places per year group to 60 places per year group, providing a total of 210 new primary places for the Wellingborough area. The increase in pupil numbers, however, will not take place until September 2018 (September 2017 is stated above).

Separate consultation will follow in respect of the capital scheme which will be required to provide the necessary accommodation associated with this expansion of pupil numbers.
