NOTES	
①	School has DSP Provision/Unit
②	Data shown here is from both the North and South campuses of the school.
③	Number of students with English as Secondary, Additional or Other Language
④	This offset is included as a recognition of the fact that schools with DSP units will already be taking a number of young people with high needs/challenging behaviours.
⑤	The average KS2 score for all mainstream secondary provision in Northamptonshire in 2015/16 is <b>28.5</b>
⑥	The formula used to determine mobility factor is pupils in + pupils out / NOR
