Do not scale from this drawing for construction or tendering purposes. Preparing from this drawing, all responsible parties retain responsibility for accuracy and layout. No responsibility is accepted for error or omissions.
This drawing is purely for discussion purposes only. It is not to be taken as a proposal for construction detailing, and instead it is primarily intended to convey the overall spatial layout of the building or parts of it. Please refer to the developed production information drawings for detail, construction and measurement purposes.
Do not scale from this drawing for construction or acquisition purposes. Responsibility is not accepted for errors made by others in scaling from this drawing. All construction information must be taken from figured dimensions only. All dimensions and levels must be checked on site and discrepancies between drawings and site conditions must be reported to GSSArchitecture.
