14. Biodiversity and Geological Conservation

To assist in answering the following questions refer to the guidance notes for further information on when there is a reasonable likelihood that any important biodiversity or geological conservation features may be present or nearby and whether they are likely to be affected by your proposals.

Having referred to the guidance notes, is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, OR on land adjacent to or near the application site:

- a) Protected and priority species
  - Yes, on the development site
  - Yes, on land adjacent to or near the proposed development
  - No

- b) Designated sites, important habitats or other biodiversity features
  - Yes, on the development site
  - Yes, on land adjacent to or near the proposed development
  - No

- c) Features of geological conservation importance
  - Yes, on the development site
  - Yes, on land adjacent to or near the proposed development
  - No

15. Existing Use

Please describe the current use of the site:
Quarry restoration area and the proposed temporary southern haul road, enlarges an existing agricultural track

- Is the site currently vacant?
  - Yes
  - No

- Does the proposal involve any of the following:
  - Land which is known to be contaminated?
    - Yes
    - No
  - Land where contamination is suspected for all or part of the site?
    - Yes
    - No
  - A proposed use that would be particularly vulnerable to the presence of contamination?
    - Yes
    - No

Application advice
If you have said Yes to any of the above, you will need to submit an appropriate contamination assessment.

16. Trees and Hedges

- Are there trees or hedges on the proposed development site?
  - Yes
  - No

- And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character?
  - Yes
  - No

If Yes to either or both of the above, you will need to provide a full Tree Survey with accompanying plan before your application can be determined. Your Local Planning Authority should make clear on its website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to construction - Recommendations'.
