### 3. Description of the Proposal

Please describe the proposed development including any change of use:

The scope of the works to form the environmental bund to a height of 3m above the adjacent highway level, will use excess material for disposal from the main highway workscontract . When the material is in place it will form a localise "false" cutting along the highwaythat will be part of the additional noise mitigation proposals adjacent to the Oakley Vale residential development.

Has the building, work or change of use already started?  Yes  No

#### 4. Site Address Details

Full postal address of the site (including full postcode where available)

House:  Suffix:

House name:

Street address:

Town/City:

County:

Postcode:

Description of location or a grid reference  
(must be completed if postcode is not known):

Easting:

Northing:

Description:

The A43 Corby Link Road is a major highways scheme that has been developed over many years by the County Council, with the aim of improving transport links between Corby and the A14, to support the growth of Corby and to relieve the A43 at Geddington of through traffic, reduce the number and severity of road accidents and provide a high quality route for through traffic.

#### 5. Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?  Yes  No

If Yes, please complete the following information about the advice you were given (this will help the authority to deal with this application more efficiently):

Officer name:

Title:  First name:  Surname:

Reference:

Date (DD/MM/YYYY):  (Must be pre-application submission)

Details of the pre-application advice received:

Peter advised about the consultation requirement and also if we require full or supplementary application to include the new proposed bund which was not included within the existing approved planning application

#### 6. Pedestrian and Vehicle Access, Roads and Rights of Way

- Is a new or altered vehicle access proposed to or from the public highway?  Yes  No
- Is a new or altered pedestrian access proposed to or from the public highway?  Yes  No
- Are there any new public roads to be provided within the site?  Yes  No
- Are there any new public rights of way to be provided within or adjacent to the site?  Yes  No
- Do the proposals require any diversions/extinguishments and/or creation of rights of way?  Yes  No

If you answered Yes to any of the above questions, please show details on your plans/drawings and state the reference of the plan(s)/drawings(s)

The proposed application seeks approval to increase the extent of the earthworks originally approved as part of the Planning permission given to the scheme in June 2007.

- 1.The scope of the works to form the environmental bund to a height of 3m above the adjacent highway level, will use excess material for disposal from the main highway works contract. When the material is in place it will form a localised "false" cutting along the highway that will be part of the additional noise mitigation proposals adjacent to the Oakley Vale residential development.
- 2.The proposed change will not change the route, the road alignment or the scope of works for the remainder of the A43 Corby Link Road as approved as part of the original planning application in June 2007.
- 3.The proposed change to the earthworks will raise the ground profile above the proposed embankment level, and in order to retain the embankment gradients the toe of the embankment will inevitably move further west and the Highway Boundary will fall outside the original "red line" boundary on the Planning and Compulsory Purchase order drawings.

#### 7. Waste Storage and Collection

- Do the plans incorporate areas to store and aid the collection of waste?  Yes  No
- Have arrangements been made for the separate storage and collection of recyclable waste?  Yes  No
