

**NORTHAMPTONSHIRE COUNTY COUNCIL  
CHILDREN AND YOUNG PEOPLES SERVICE**

SUPPORTING STATEMENT FOR

**A DOUBLE CLASSROOM MOBILE AT  
BRIXWORTH PRIMARY SCHOOL  
FROXHILL CRESCENT, BRIXWORTH, NORTHANTS. NN6 9BG**

The above school currently has two single classrooms that are used for general teaching and specialist music tuition. These classrooms are in a very dilapidated condition, do not meet current standards and are past economic repair.

Due to the Northampton schools review reaching its final stages; we now have surplus mobiles in good repair that meet current standards. It is therefore proposed to replace the two existing mobiles with one double classroom mobile. The two existing mobiles will be removed from site.

As the school is popular and successful there is a continuing need to provide temporary accommodation in the short term. With the expansion of Brixworth village there is a long term need to provide additional permanent accommodation. However this is not feasible at present.
