SUPPORTING STATEMENT FOR

**TWO DOUBLE CLASSROOM MOBILES AT
CHENDERIT SCHOOL, ARCHERY ROAD,
MIDDLETON CHENEY, BANBURY, OXON. OX17 2QR**

The above school is starting an extensive building and remodelling programme. Once complete it will provide additional permanent space within the school site. However whilst this building programme is underway there is a short term need to provide teaching space. The building works are expected to last for twelve months however to allow for slippage we are requesting permission for two years.

There is a dilapidated mobile on site at present; this will be removed when the new mobiles arrive. The accommodation housed in this mobile will be replaced by permanent accommodation provided as a result of the building programme.
