Planning Support Statement

Whitehills Primary School
Temporary Classroom Planning Support Statement

The restructuring of the education system from three to two tiers under the Northampton Schools PFI scheme requires the modernisation works which are presently being carried out at Whitehills Primary School.

An additional temporary classroom is required for the remaining duration of the construction project, this additional temporary classroom will enable the school maintain facilities which are presently being refurbished.

During the project year groups will be decanted into and out of the classroom as the refurbishment phases are completed within the existing school premises.

The classrooms are required for general teaching.

The classrooms will be situated to the north of the site adjacent to classrooms to be removed.

The classrooms will be positioned during December 2006 and will remain until the completion of the project August 2007.
