SUPPORTING STATEMENT FOR
A DOUBLE CLASSROOM MOBILE AT
NORTHGATE SCHOOL, QUEENS PARK PARADE,
NORTHAMPTON. NN2 6LR

A need to increase the teaching space at the above school has been identified. This is due to an increase in the number of pupils that need a place at the school. The nature of their learning disabilities and the specialised facilities provided at Northgate make it desirable for these pupils to attend this particular school.

It is envisaged that this will be a short term blip in the number of pupils needing to attend this particular school. However if this proves not to be the case, a feasibility study will need to be carried out with a view to providing permanent accommodation within the school buildings.
