Draft 4	21.01.2016	Finalising document for launch	Matt Johnson Phil Jones Heather Webb

Contents

Introduction	6
Biodiversity in Northamptonshire	7
General principles for conservation in Northamptonshire.	9
Progress 2008–2015	15
BAP partners	16
User guides	19
User guide for the general public	19
User guide for planners	21
User guide for conservation professionals	24
General Action Plans	26
1. An integrated large-scale approach to conservation	26
Advisory and advocacy.	26
Urban & artificial habitats	28
Ecosystem services	34
2. Putting people at the heart of biodiversity policy	36
Community awareness and involvement	36
3. Reducing Environmental Pressure	38
Policy and Planning.	38
Invasive Species	40
4. Improving our knowledge	41
Data, monitoring and evidence	41
Habitat Action Plans	44
Arable field margins	44
Eutrophic standing waters	47
Floodplain grazing marsh	50
Lowland calcareous grassland	56
Lowland dry acid grassland	59
Lowland fen	63
Lowland heathland	66
Lowland meadow	68
Lowland mixed deciduous woodland	71
Open mosaic habitats on previously developed land	76
Ponds	79
Reedbed	82

Rivers	86
Traditional orchards	89
Wet woodland	92
Wood-pasture and parkland	95
Appendix 1: Targets	98
General targets	98
Advisory and advocacy	98
Urban & artificial habitats	98
Ecosystem services	99
Community awareness and involvement	99
Policy and planning	99
Invasive species	100
Data, monitoring and evidence	100
Habitat targets.	101
Arable field margins	101
Eutrophic standing waters.	101
Floodplain grazing marsh	101
Hedgerows	102
Lowland calcareous grassland	102
Lowland dry acid grassland	103
Lowland fen	103
Lowland heathland	104
Lowland meadow	104
Lowland mixed deciduous woodland	104
Open mosaic habitats on previously developed land	105
Ponds	105
Reedbed.	106
Rivers	106
Traditional orchards	106
Wet woodland	107
Wood-pasture and parkland.	107
Appendix 2: Actions	108
General actions	108
Advisory and advocacy	108
Urban & artificial habitats	108
Ecosystem services	109

Community awareness and involvement	110
Policy and planning	111
Invasive species.	112
Data, monitoring and evidence	112
Habitat actions	114
Arable field margins	114
Eutrophic standing water	114
Floodplain grazing marsh	115
Hedgerows	116
Lowland calcareous grassland	116
Lowland dry acid grassland	117
Lowland fen	117
Lowland heathland	118
Lowland meadow	119
Lowland mixed deciduous woodland	119
Open mosaic habitats on previously developed land	121
Ponds	121
Reedbed.	122
Rivers	122
Traditional orchards	123
Wet woodland	124
Wood-pasture and parkland.	124
Appendix 3: Priority Species	126
UK Priority Species found in Northamptonshire	126
Local BAP Species	148
Appendix 4: Further guidance, maps and figures	150
Relevant Legislation and Planning Policy.	150
Glossary	152
Guide to Acronyms and Abbreviations	153
