I require a PA to support my 15 year old son who has Asperger's, a moderate learning disability, IBS and some mental health issues which can lead to self-harm and depression. He can display challenging behaviour but this tends to be shown to me or at School, no issues usually when out and about.

I am looking for a fun, out going, young at heart PA to support him socially with the following:

Help him to access the community and activities suitable for his age. He enjoys playing Pool and I am sure would show an interest in learning Snooker

To attend the Gym and help with motivation and join in, he enjoys bowling, going for a Costa, walks and on occasion going to the cinema.

Over the School holidays the hours can be used for longer trips out for the day.

We are open to looking and encouraging with new activities or clubs.

It won't always be going out the support can be given at home.

A car owner is essential and mileage will be paid (excluding commute).

To support with promoting independence, this includes money management, cooking and a plan to try to encourage to use the buses.

No personal care required but you will need to pick up on signs of issues with his IBS and he doesn't like to use Public Toilets although can access Disabled toilets.

To be flexible around daily needs and to be able to do things under own initiative.

Any other task which the employer may reasonably ask you to do which falls within the scope of the job as a Personal Assistant.

Please note you will be directly employed by the person (or their representative) that you will be assisting. Northamptonshire County Council are NOT the Employers.
