

## MOTORCYCLES

- Motorcycles are permitted to park in a residents' parking bay/zone provided that they park displaying a valid permit and that they comply with the requirements of the vehicle type and size as detailed on the Resident's Parking Permit page.
- If the vehicle is registered to the resident then the process detailed on the Resident's Parking Permit page should be followed.
- If the vehicle is hired by the resident then the rules detailed on the Hire Cars page applies.
- Residents should not assume that they can use their Visitors Parking Permit in such circumstances as this is deemed misuse of the scheme and if observed, a Penalty Charge Notice would be issued. Written permission is required from Northamptonshire County Council to allow use of the Visitors Parking Permit.
- It is the responsibility of the motorcycle owner/hirer to ensure that the permit is securely attached to the vehicle. Please be reminded that it is not the responsibility of our officers to advise motorists of how to display their permit or in deed where permit holders for motorcycles can be obtained.
- Displaying a valid permit in the property window is not acceptable.
- Permits must be displayed on the vehicle ensuring all the written details on the permit are **clearly visible** through the windscreen at all times. **Failure to comply may result in a Penalty Charge Notice being issued**
- Permit holders are reminded to check the signage prior to leaving their vehicle, in particular limited waiting bays.
